Dear Friend:

I have been requested to call your attention that President Eisenhower, honorary chairman of Brotherhood Week, has proclaimed February 20-27th as the time for the special observance of this annual event. This event has now been observed for the past 27 years and is sponsored by the National Conference of Christians and Jews, Inc. an organization supported by Protestants, Catholics and Jews throughout the United States and Canada.

The Clark County Ministerial Association would be most appreciative if you would issue the following or a similar proclamation in recognition of this annual observance:

"The 1955 observance of Brotherhood Week comes February 20-27. It is altogether fitting that our people should give thought to the necessity of living together as brothers, under the common Fatherhood of God. At a time when the American way of life is gravely threatened we must not allow differences in creed, race or national origin to divide us as a people, but must stand together for those principles all Americans cherish. I commend to all our citizens the observance of Brotherhood Week as a time to reassert these principles and renew our allegiance to them."

With all good wishes and many thanks, I remain

Sincerely yours,  
JEWISH COMMUNITY CENTER
