P R O C L A M A T I O N

WHEREAS, we have always been proud of "HIS NIBBS", and rightfully so, and,

WHEREAS, we are doubly proud to have this added publicity for one for whom we have labored long and "loud", and

WHEREAS, we have always maintained that "TIME MARCHES ON".

NOW, THEREFORE, BY THE LACK OF POWER vested in us, the "humble servants of the public and His Honor", we hereby proclaim Tuesday, May 22, 1956 as

"MAYOR C. D. BAKER DAY"

in the City of Las Vegas--bless his heart--and urge that all City employees participate wholeheartedly therein (someday we hope to get another raise)!!

"Time" magazine.

May. 21st.

PEC

Names make news. Last week these names made this news:

Peppery old (71) Socialist **Norman Thomas** sounded off in Houston. On free enterprise: "All the recent business mergers and consolidations make absurd the old-line talk of free enterprise. The only free enterprise in America today is small boys who shoot marbles for keeps." On the **Kelly-Rainier** merger "If Grace had married the mayor of Las Vegas, she wouldn't have had to produce a son to keep the place going."
