City of Las Vegas Agenda Item No.: **24.**

CITY COUNCIL MEETING OF: May 2, 2007

Minutes:
AL GALLEGO asked why the City keeps studying this and delaying it. This is the second study. He requested landscaping be provided.

CHARLIE KAJKOWSKI, Director of Public Works, explained that the study is necessary to assess the impacts of the oncoming Fifth Street project. MR. GALLEGO countered that one has nothing to do with the other.
