Proclamation

- Whereas;** public works services provided in our community are an integral part of our citizens' everyday lives; and
- Whereas;** the support of an understanding and informed citizenry is vital to the efficient operation of public works systems and programs such as the road and transportation network, flood control and drainage systems, parks and other public use facilities, sanitary sewer collection systems, wastewater treatment and stormwater management systems; and
- Whereas;** the health, safety and comfort of the Las Vegas community greatly depends on these facilities and services; and
- Whereas;** the quality and effectiveness of these facilities, as well as their planning, design, construction, operation, and maintenance, is vitally dependent upon the efforts and skill of public works officials; and
