FINISH FLOOR ELEVATIONS

TO: All Permittees Issued a Building Permit

SUBJECT: Certification of the Actual Finish Floor Elevations of all Structures

I/we Jim Kukunin (Kukunin Concrete)
(Engineer) (Contractor) (Owner)

the permit holder and contractor do certify that the finish floor elevation of the structure located at 5421 AND AND 6621 BRADLEY does meet the requirements of the plot-grading plan or site plan, as per the Flood Hazard Reduction Ordinance No. 3008.

The inspection allowing the concrete pour shall not be signed by the building inspector unless all of the above requirements are met.

DATE: 1-22-86

BUILDING INSPECTOR:

Timothy N. Hoffman
