Re: East Charleston Blvd Phase II Street Project

Dear Sir:

You have received 3 letters prior to this one in regards to your sign which is in public right-of-way for the new street widening project which will commence April 15, 1980.

This letter is official notice that your sign must be re-located out of the right-of-way not later than April 4, 1980.

Failure to comply will force the City into entering into contract with a sign contractor for removal of the sign and the City will lie your property for all expenses encountered. Please have your sign contractor contact the City Building Division regarding the sign re-location and permit.

Sincerely,

Clay Hymer, Supervisor
Building and Safety Division
