- OTHER INSPECTIONS AND FEES**
- inspections outside of normal business hours = \$30.00 per hour (minimum charge three hours).
  - Re-inspection fee during normal business hours assessed under provisions of TABLE 3-A of the Uniform Building Code = \$30.00 each.
  - inspections during normal business hours for which no fee is specifically indicated = \$30.00 per hour (minimum charge one half hour).
  - Additional plan review required by changes, additions or revisions at approved plans = \$30.00 per hour (minimum charge two hours).

**CONDITIONS OF THE PERMIT:**

- Any type of retaining wall must be engineered by a Civil or Structural Engineer.
- If a home owner takes out the Building Permit and if the owner sublets the work to a Contractor, then the Contractor must take out the permit and pay for it.
- No fence or wall can be built on City property or rights-of-way, but this is not intended to preclude construction within utility easements if utilities will not be damaged or made inaccessible.
- The fence or wall shall not enclose any water meter, light standard, or fire alarm box and shall not come closer than 24" from the nearest fire hydrant outlet.
- Department inspectors must approve footings before concrete is poured and block wall reinforcing before grouting is done.
- Maximum height of any wall or fence is 6', side and rear yards; 4' maximum in front yard with the vertical surface above the height of 2' — 50% open.
- I must not obstruct required onsite parking space (2 spaces for each dwelling unit) by the erection of this fence or wall.
- This fence or wall shall not block the natural flow of surface water across the property nor shall it divert the flow of surface waters onto another's property.
- By the signing of this application I herewith agree to the requirements outlined above.
