RE V-16-91 - VARIANCE

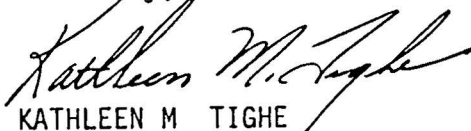

Dear Mr. Secchiaroli

The City Council at a regular meeting held June 19, 1991 considered the appeal filed by Baughman & Turner, Inc., on behalf of Richard Secchiaroli on the action of the Board of Zoning Adjustment in denying his application for a Variance to allow proposed eight foot (8') high block and/or wrought iron fences along the north, west and south property lines where six feet (6') is the maximum height allowed in the side and rear yards and four feet (4') with the top two feet (2') fifty percent (50%) open is the maximum height allowed in the front yard area on property located on the northeast corner of Valadez Avenue and O'Bannon Drive in Zoning District R-E

The City Council thereby APPROVED the Variance, subject to

- 1 Conformance to the plot plan and elevations
- 2 Satisfaction of City Code requirements and design standards or all City departments

Sincerely,
