Relief valves located inside a building shall be provided with a drain, not smaller than the relief valve outlet, of galvanized steel or hard drawn copper piping and fitting and shall extend from the valve to the outside of the building with the end of the pipe not more than two (2) feet (6m) nor less than six (6) inches (152 4mm) above the ground and pointing downward. Such drain may terminate at other approved locations. No part of such drain pipe shall be trapped and the terminal end of the drain pipe shall not be threaded.

Because of these conditions, the Director of the Department of Building and Safety hereby orders **NICK MALLAS**, record owner(s) of the building, to

- 1 Cause the following permits to be taken out by a licensed contractor on or before **April 27, 1989** **ROOFING ELECTRICAL PLUMBING BUILDING**
(Only starred (*) items require a licensed contractor)
- 2 Make the aforementioned repairs by **June 28, 1989** Contact the City of Las Vegas Central Action Office, in the Building & Safety Department at 386-6615 when work is completed
- 3 If any building declared substandard under this ordinance and ordered to be repaired by the Building Official has been vacated by the owner(s) to effect such repairs, a Certificate of Occupancy shall be obtained by the owner(s) upon completion of the repairs or prior to reoccupancy

If these orders are not complied with, you are hereby given notice that the Director of the Building and Safety may order the building vacated and posted to prevent further occupancy until the work is completed and may proceed to cause the work to be done or safely secure the structure, and charge the costs thereof against the property or its owner

As the property owner(s), you will be responsible for all costs incurred. You will be notified of a public hearing to be conducted by the City Council to review the costs, and their decision shall be final and conclusive. Upon approval of the costs by the City Council, a Lien of Assessment shall be filed with the County Recorder, certified copies of the lien given to the County Treasurer, and the amount of the Lien of Assessment shall then be collected at the same time and in the same manner as ordinary property taxes. All laws applicable to the levy, collection, and enforcement of property taxes shall be applicable to such assessment.

Moreover, you are hereby given notice

- 1 That any person having record title or legal interest in the building may appeal from this Notice and Order or any action of the Director of the Department of Building and Safety to the City Council of the City of Las Vegas, provided the appeal is made in writing as provided in the Uniform Housing Code and filed with the Director of the Department of Building and Safety within ten (10) days from the date of service of this Notice and Order, and
- 2 That this Notice and Order or a copy thereof be presented to the Department of Building and Safety when purchasing permit(s)
- 3 That failure to appeal will constitute a waiver of all rights to an administrative hearing and determination of the matter

Dated this 31st day of March, 1989

BY ORDER OF

SAM BOWLER, CHIEF
CENTRAL ACTION OFFICE
DEPARTMENT OF BUILDING AND SAFETY
