CERTIFICATION OF COMPLETENESS

I, the undersigned, as the authorized agent or owner, hereby certify that I have provided all information and materials necessary for a complete application. For purposes of this certification, an application is not "complete" if the necessary zoning related approvals have not been obtained. It is recommended that you review these items with an appropriate zoning official prior to submittal.

I have investigated the following matters and am attesting to the validity of each of the following statements, as appropriate:

☒	Appropriate zoning has been approved for the project proposed.
☒	A plot plan and/or building elevation review has been completed for the project proposed.
☐	A plot plan and/or building elevation review is not required for the project proposed.
☒	All Variances required have been obtained.
☐	A Variance is not required.
☒	All Special Use Permits required have been obtained.
☐	A Special Use Permit is not required.
☐	The required Traffic Impact Analysis has been submitted to the Traffic Engineer.
☒	A Traffic Impact Analysis is not required for the project proposed.
☒	The required Drainage Plan and Technical Drainage Study has been submitted to Public Works.
☐	A Drainage Plan and Technical Drainage Study is not required for the project proposed.

For building permit only:

☒	All plans and documentation, as required by the Department of Building and Safety per the attached checklist, have been submitted.
-------------------------------------	--

I am aware that the date and time my application is accepted as complete by the City will determine, in part, the priority of issuance of the conditional "Water Distribution Authorization Letter" by the City. If the application is determined later to be incomplete, then the date and time of the receipt by the City of the missing information and/or materials will establish that priority.

Authorized Agent/Owner Information

I hereby certify that all information contained on this form is true and accurate. I am aware that the priority for issuance of a conditional Water Distribution Authorization Letter by the City will be based, in part, on the date and time that an application is accepted as complete and that failure on my part to submit all required application materials may cause the priority of my application to be reestablished.
