2. Any bid submitted by a person who is neither licensed nor exempted from licensure as provided in this chapter at the time the bid is submitted is void.

Nevada Revised Statute (NRS) 624.330(4) states: Exemptions.

4. An owner of property who is building or improving a residential structure on the property for his own occupancy and not intended for sale. The sale or offering for sale of the newly built structure within 1 year after its completion creates a rebuttable presumption for the purposes of this section that the building of the structure was performed with intent to sell.

I have read and understand I am exempt from Nevada Revised Statute (NRS) 624.230 as stated in Nevada Revised Statute (NRS) 624.330. I have read and understand that if I sell this residence within one year of the issuing of the Certificate of occupancy, I am liable for prosecution as an unlicensed contractor.
