Re: V-103-90

Dear Applicant:

Your request for a Variance to allow a proposed family room addition 25 feet 6 inches (25'6") from the rear property line where a 30 foot minimum setback is required, on property located at 6521 Wild Horse Road, in Zoning District R-D, was considered by the Board of Zoning Adjustment on August 23, 1990.

It was voted by the Board of Zoning Adjustment to APPROVE your request as being in accord with the general spirit and purpose of the Ordinance, subject to the following conditions:

1. Conformance to the plot plan and elevations.
2. Satisfaction of City Code requirements and design standards of all City departments.

This action by the Board of Zoning Adjustment on August 23, 1990 is final unless an appeal, in writing, is filed with the City Clerk within eleven days of the date of this letter or there is a review action filed by the City Council within fourteen days of the date of the letter.

continued

James and Dianne Glassford
V-103-90 - Page 2
August 28, 1990

Building permits or business licenses cannot be acted upon until after the fourteen day review period has elapsed or after the required hearing on any appeal or review.

An approved Variance must be exercised within one year or it becomes null and void, unless a request for an Extension of Time is duly filed and approved by the Board of Zoning Adjustment within the one year time limit.

Sincerely,

DEPARTMENT OF COMMUNITY
PLANNING AND DEVELOPMENT
NORMAN R. STANDERFER, DIRECTOR

Approval for the work under this permit will be given only after refuse and debris have been removed from job site and public right of way.

I state that I am familiar with the effective ordinances of the City of Las Vegas, Nevada and the effective Statutes of the State of Nevada covering construction and use of the above type; I agree to perform said construction in conformity therewith. I further agree that issuance of a permit on the above application will not excuse me from conforming with the said Ordinances and Statutes despite any errors on the part of the building inspector or engineer in checking plans and application herewith.

All swimming pools must be fenced before the pool is filled with water. No electrical lines shall cross over a pool. Applicants must have separate plot plans showing location of power pole, proposed or existing fencing and location of swimming pool. I agree to repair any utility line, if damaged during excavation work. I have read and understand the contents of above application. I hereby state that the same are true and correct.
