## CONDITIONS OF THE PERMIT:

1. I agree to call the City Building Department for inspections before concrete is poured, before rough wiring, electrical, plumbing, framing is covered. Also for Air conditioning, drywall and sheathing inspection.
2. I agree that when the job is completed that I will call for final inspection before occupancy.
3. I agree to perform all construction in accordance with City Ordinances and Building Codes.
4. The Contractor's signature below denotes authority from the owner to sign in his behalf and that the owner is aware of all requirements of this application and permit. Separate permits must be taken out for work outlined above this agreement.
5. I have read and understand the contents of this application and permit; I hereby state that the information I have supplied on this application is true and correct.

Approval for the work under this permit will be given only after refuse and debris have been removed from job site and public right of way.

Plumbing permit fees may be computed the same as building permit fees by using the cost of installation for valuation amount when such work is not included in the above schedule.

I hereby certify that I have carefully examined and read the above application; that the same is true and correct; and that the work herein described is to be done in accordance with all the provisions of the applicable Ordinances of the City of Las Vegas, Nevada and the State Laws, whether herein specified or not.

Approval for the work under this permit will be given only after refuse and debris have been removed from job site and public right of way.

|       | For the installation or relocation of each floor furnace, including vent.                                                                                                                                                                                | 5.00  |       |
|       | For the installation or relocation of each suspended heater, recessed wall heater or floor-mounted unit heater.                                                                                                                                          | 5.00  |       |
| 1     | For the installation, relocation or replacement of each appliance vent installed and not included in an appliance permit.                                                                                                                                | 2.00  | 2.00  |
|       | For the repair, alteration of, or addition to each heating appliance, refrigeration unit, cooling unit, absorption unit, or each heating, cooling, absorption, or evaporative cooling system, including installation of controls regulated by this code. | 5.00  |       |
|       | For the installation or relocation of each boiler or compressor to and including three horsepower, or each absorption system to and including 100,000 Btu/h.                                                                                             | 5.00  |       |
|       | For the installation or relocation of each boiler or compressor over three horsepower to and including 15 horsepower, or each absorption system over 100,000 Btu/h and including 500,000 Btu/h.                                                          | 9.00  |       |
|       | For the installation or relocation of each boiler or compressor over 15 horsepower to and including 30 horsepower, or each absorption system over 500,000 Btu/h to and including 1,000,000 Btu/h.                                                        | 11.00 |       |
|       | For the installation or relocation of each boiler or compressor over 30 horsepower to and including 50 horsepower, or for each absorption system over 1,000,000 Btu/h to and including 1,750,000 Btu/h.                                                  | 21.25 |       |
|       | For the installation or relocation of each boiler or refrigeration compressor over 50 horsepower, or each absorption system over 1,750,000 Btu/h.                                                                                                        | 33.75 |       |

| UNITS | DESCRIPTION                                                                                                                                                                                                                                                                                                                                  | FEE           | TOTAL |
|-------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------|-------|
|       | For each air-handling unit to and including 10,000 cubic feet per minute, including ducts attached thereto.<br><b>Note:</b> This fee shall not apply to an air-handling unit which is a portion of a factory-assembled appliance, cooling unit, evaporative cooler or absorption unit for which a permit is required elsewhere in this code. | 3.25          |       |
|       | For each air-handling unit over 10,000 cfm.                                                                                                                                                                                                                                                                                                  | 5.75          |       |
|       | For each evaporative cooler other than portable type.                                                                                                                                                                                                                                                                                        | 3.75          |       |
|       | For each ventilation fan connected to a single duct.                                                                                                                                                                                                                                                                                         | 3.00          |       |
|       | For each ventilation system which is not a portion of any heating or air-conditioning system authorized by a permit.                                                                                                                                                                                                                         | 2.75          |       |
|       | For the installation of each hood which is served by mechanical exhaust, including the ducts for such hood.                                                                                                                                                                                                                                  | 4.25          |       |
|       | For the installation or relocation of each domestic-type incinerator.                                                                                                                                                                                                                                                                        | 5.25          |       |
|       | For the installation or relocation of each commercial or industrial-type incinerator.                                                                                                                                                                                                                                                        | 22.50         |       |
|       | For each appliance or piece of equipment regulated by this code but not classed in other appliance categories, or for which no other fee is listed in this code.                                                                                                                                                                             | 3.75          |       |
|       | When Chapter 22 is applicable (see Section 103), permit fees for fuel-gas piping shall be as follows:<br>For each gas-piping system of one to four outlets.                                                                                                                                                                                  | 2.00          |       |
|       | For each gas-piping system of more than four outlets, per outlet.                                                                                                                                                                                                                                                                            | .50           |       |
|       | <b>OTHER INSPECTIONS AND FEES:</b>                                                                                                                                                                                                                                                                                                           |               |       |
|       | Inspections outside of normal business hours (minimum charge — two hours).                                                                                                                                                                                                                                                                   | 7.50 per hour |       |
|       | Reinspection fee assessed under provisions of Section 305 (1).                                                                                                                                                                                                                                                                               | 7.50 each     |       |
|       | Inspections for which no fee is specifically indicated (minimum charge — one-half hour).                                                                                                                                                                                                                                                     | 7.50 per hour |       |
|       | Additional plan review required by changes, additions or revisions to approved plans (minimum charge — one-half hour).                                                                                                                                                                                                                       | 7.50 per hour |       |
|       | <b>TOTAL PERMIT FEE \$ 13.50</b>                                                                                                                                                                                                                                                                                                             |               |       |

I hereby certify that I have carefully examined and read the above application; that the same is true and correct; and that the work herein described is to be done in accordance with all the provisions of the applicable Ordinances of the City of Las Vegas, Nevada and the State Laws, whether herein specified or not.

Approval for the work under this permit will be given only after refuse and debris have been removed from job site and public right of way.
