The staff of the Downtown Redevelopment Agency has reviewed the above-referenced application for a sign permit. Based on that review, staff finds that the proposed sign is not in conformance with the Redevelopment Plan. However, in accordance with Section 520.6 of the Plan, staff will approve the sign as an interim use.

The applicant should be aware, however, that the location of the sign is within the boundaries of the Winchester Station Redevelopment Project, which site may be acquired by the Agency for purposes of redevelopment in the near future.
