INTER-OFFICE MEMORANDUM

TO: DIRECTOR  
DEPARTMENT OF BUILDING & SAFETY

FROM: CLAY HYMER, SR. BUILDING INSPECTOR  
GEORGE D. MILLER, ELECTRICAL INSPECTOR

SUBJECT: SCOTT JOLLEY  
516 HARVARD, LAS VEGAS, NEVADA

COPIES TO: CITY MANAGER  
SGT. JACK PHILLIPS, POLICE DEPARTMENT  
FILE

An inspection was made at the subject address to determine if faulty electrical wiring existed. We found an illegal structure on the rear of the building for which no permit had been obtained. Electrical wiring for both the illegal structure and a barbecue grill on the patio were also installed without electrical permits having been obtained.

The electrical wiring which was installed is non-code in every detail. In talking with Mrs. Hunter who is renting the house, we learned the owner is a Mr. Everett Cox who lives at 348 Mallard Street, Las Vegas, Nevada. We proceeded to that address and issued a correction notice to Mr. Cox requiring that all the electrical wiring which is non-code be corrected within 48 hours. Mr. Cox has since contacted Reitz Electrical Company to correct the electrical wiring. The hot electrical leads which are non-code compliance have been disconnected.
