Re: East Charleston Blvd
Phase I Street Widening Project

Dear Sir:

You received a letter from Mr. Purvis, Director of Public Services last November 8, 1978 (see attached) regarding relocation of your sign, with respect to public right-of-way. Our records do not show a sign permit for a sign at the present location.

This letter is official notice that the sign must be moved within 30 days from receipt of this letter, failure to do so will result in the City entering into a contract with a sign contractor to relocate or remove the sign and attaching a lien against the property.

Please be advised that only a licensed sign contractor under a building permit may be allowed to relocate your sign.

Any questions you may have in regards to this problem, please call 386-6251.

Sincerely,

Clay Aymer
