Dear Sir:

It has been brought to this office's attention that an electrical light pole situated on the corner of Charleston and 14th Street is located in the City right-of-way. (See attached map). Due to a major street widening project scheduled to begin April 15, 1980. It is necessary that this light pole be re-located out of the right-of-way area.

Please have your electrical contractor obtain permits and remove the pole no later than April 4, 1980.

Should you have any questions concerning this problem, please call 386-6251.

Sincerely,

Clay Hymer
