Dear Mr. Bailey:

Enclosed please find our check #2552 in the amount of \$1,188.00 for the following:

1. Sewer tap	\$580.00
2. Building permit	608.00
	<u>\$1188.00</u>

This is for the new Sirloin Stockade Restaurant that is being built in our FAMILY CENTER® on Charleston and Decatur Boulevards, City of Las Vegas.

It is my understanding, that Mr. Lloyd Owens has talked with you and has started the site work. This check will finalize the procedure where he will be able to pick up the actual building permit so he can complete the construction.

You have been extremely cooperative and helpful, and I appreciate your fine service. We have built a dozen of these Sirloin Stockades in the Western United States, and this facility will be a fine addition to the City of Las Vegas.. These family-oriented steak restaurants have been widely accepted and received wherever we have built them. Thank you again for your assistance.

Sincerely,

Dear Mr. Bailey:

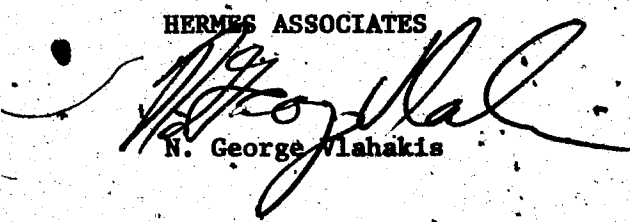

Please reference our letter dated March 27, 1979, where we sent our check #2552, which consisted of a \$580.00 sewer tap charge. Lloyd Owens of Hetherington Construction Company, with whom you have talked with, indicates that the sewer tap was already existing and that this \$580.00 should be refunded to us.

Will you please make the check out to Hermes Associates in the amount of \$580.00, and forward it to my attention at the following address: 543 East 5th South #7, Salt Lake City, Utah 84102.

Once again, I appreciate all of your assistance in handling this matter.

Sincerely,
