LITTER ABATEMENT NOTICE

You are hereby notified as owner(s) of the property located at 301 Harrison Avenue, Las Vegas, Nevada that you are in violation of City Ordinance #1876 dealing with nuisance litter.

A letter dated June 23, 1981 directed your attention to this matter, which as of July 23, 1981 has not been corrected.

Therefore, you are officially notified that unless the nuisance litter described as trash and debris, old cars, junk car parts, etc. Occupant using residence as a junk yard.

is not removed within 30 days from the date of this letter, the City must take the position that you have no intention to personally abate the problem. The City shall then be obligated to direct a licensed contractor to remove the nuisance litter described above. As the property owner, you will be billed by the City for all costs incurred to correct this condition. The provisions for the City's contractor are attached.

We advise, the contractor will collect all debris at this location and will not separate our items which you may consider useful or valuable. If you wish to salvage any items, remove and store them in an acceptable manner.

I hope this action will not be necessary, but unless you take the necessary measures to comply with the ordinance referenced above, the City will be forced to initiate the aforementioned action.

REQUEST TO ABATE NUISANCE

As part of the City of Las Vegas ongoing effort to beautify the City, we are requiring your assistance in a City-wide cleanup program. In many cases by abating litter nuisance a potential fire hazard is often corrected.

As the owners of the property located at 301 Harrison Ave., Las Vegas,
Nevada

We are appealing to you to take whatever action is necessary to improve the appearance of your property by removing the Trash & Debris, old cars, junk car parts, ETC. Occupant using residence as a junkyard.

The City Code clearly states the responsibility and penalties for violations involving nuisance litter are that of the owner. We are hoping the citizens, after being notified, will voluntarily respond within 30 days from the receipt of this letter and correct the undesirable condition so that no formal action by the City will be necessary.

We all would enjoy a cleaner and safer environment. However, without the contribution of individual efforts from the citizenry, no community betterment program would ever be successful.

Therefore, we are asking your help to achieve this goal.
