I understand that any portion of this (fence) (wall) constructed or erected on City property or right-of-way will be removed from said location at my expense upon request received from the City of Las Vegas, Nevada. I understand that the (fence) (wall) shall not enclose water meter, light standard, fire alarm box and shall not come closer than two(2') feet in any direction from any fire hydrant. I further state that I am familiar with effective Ordinances of the City of Las Vegas, Nev. and effective Statutes of the State of Nevada covering construction and use of above type; I agree to perform said construction in conformity therewith. I further agree that issuance of a permit on above application will not excuse me from conforming with said Ordinances and Statutes, despite any errors on the part of the Building Inspector or Engineer in checking plans and applications herewith submitted.

I have read and understand the contents of above application; I hereby state that same are true and correct.

CONDITIONS OF THE PERMIT:

1. I agree to call the City Building Department for inspections before concrete is poured, before rough wiring, electrical, plumbing, framing is covered. Also for Air conditioning, drywall and sheathing inspection.
2. I agree that when the job is completed that I will call for final inspection before occupancy.
3. I agree to perform all construction in accordance with City Ordinances and Building Codes.
4. The Contractor's signature below denotes authority from the owner to sign in his behalf and that the owner is aware of all requirements of this application and permit. Separate permits must be taken out for work outlined above this agreement.
5. I have read and understand the contents of this application and permit. I hereby state that the information I have supplied on this application is true and correct.

Approval for the work under this permit will be given only after refuse and debris have been removed from job site and public right of way.
