Approval for the work under this permit will be given only after refuse and debris have been removed from job site and public right of way.

I state that I am familiar with the effective ordinances of the City of Las Vegas, Nevada and the effective Statutes of the State of Nevada covering construction and use of the above type; I agree to perform said construction in conformity therewith. I further agree that issuance of a permit on the above application will not excuse me from conforming with the said Ordinances and Statutes despite any errors on the part of the building inspector or engineer in checking plans and application herewith.

All swimming pools must be fenced before the pool is filled with water. No electrical lines shall cross over a pool. Applicants must have separate plot plans showing location of power pole, proposed or existing fencing and location of swimming pool. I agree to repair any utility line, if damaged during excavation work. I have read and understand the contents of above application. I hereby state that the same are true and correct.
