CONDITIONS OF THE PERMIT:

I agree to call the City Building Department for inspections before concrete is poured, before rough wiring, electrical plumbing, framing is covered. Also for Air conditioning, drywall and sheetrock inspection.

I agree that when the job is completed that I will call for final inspection before occupancy.

I agree to perform all construction in accordance with City Ordinances and Building Codes.

The Contractor's signature below designates authority for the owner to sign in his behalf and that the owner is aware of all requirements of this application and permit. Separate permits must be taken out for work outlined above this agreement.

I have read and understand the terms of this permit and permit; I hereby state that the information I have supplied on this application is true and correct.

Approval for the work under this permit will be given only after all fees and bonds have been received from job site and public right of way permits are obtained for work within the public right of way.

I state that I am familiar with the effective ordinances of the City of Las Vegas, Nevada and the effective Statutes of the State of Nevada covering construction and use of the above type. I agree to perform said construction in conformity therewith. I further agree that issuance of a permit on the above application will not excuse me from conforming with the said Ordinances and Statutes despite any errors on the part of the building inspector or engineer in checking plans and application herewith.

All swimming pools must be fenced before the pool is filled with water. No electrical lines shall cross over a pool. Applicants must have separate plot plans showing location of power pole, proposed or existing fencing and location of swimming pool. I agree to repair any utility line, if damaged during excavation work. I have read and understand the contents of above application. I hereby state that the same are true and correct.
