I understand that any portion of this (fence) (wall) constructed or erected on City property or right-of-way will be removed from said location at my expense upon request received from the City of Las Vegas, Nevada. I understand that the (fence) (wall) shall not enclose water meter, light standard, fire alarm box and shall not come closer than two(2') feet in any direction from any fire hydrant. I further state that I am familiar with effective Ordinances of the City of Las Vegas, Nev. and effective Statutes of the State of Nevada covering construction and use of above type; I agree to perform said construction in conformity therewith. I further agree that issuance of a permit on above application will not excuse me from conforming with said Ordinances and Statutes, despite any errors on the part of the Building Inspector or Engineer in checking plans and applications herewith submitted.

I have read and understand the contents of above application; I hereby state that same are true and correct.

Remarks:

CONDITIONS OF THE PERMIT:

- Any type of retaining wall must be engineered by a Civil or Structural Engineer.
- If a home owner takes out the Building Permit and if the owner sublets the work to a Contractor, then the Contractor must take out the permit and pay for it.
- No fence or wall can be built on City property or rights-of-way, but this is not intended to preclude construction within utility easements if utilities will not be damaged or made inaccessible.
- The fence or wall shall not enclose any water meter, light standard, or fire alarm box and shall not come closer than 24" from the nearest fire hydrant outlet.
- Department Inspectors must approve footings before concrete is poured and block wall reinforcing before grouting is done.
- Maximum height of any wall or fence is 6', side and rear yards; 4' maximum in front yard with the vertical surface above the height of 2' - 50% open and further that fencing within 25' of the intersection of curb faces on corner and through lots is limited to a maximum height of 30".
- I must not obstruct required onsite parking space (1 space for each dwelling unit) by the erection of this fence or wall.
- By the signing of this application I herewith agree to the requirements outlined above.

ADD'L. PERMITS REQ'D:

Air Cond. ☐Elec. ☐Plumbing ☐Signs ☐Paving ☐Fence ☐Public Walks ☐Curb-gutters ☐Incinerators ☐Fire Sprinkling System ☐

CONDITIONS OF THE PERMIT

1. I agree to call the City Building Department for inspections before concrete is poured, before rough wiring, electrical, plumbing, framing is covered. Also for Air conditioning, drywall and sheathing inspection.
2. I agree that when the job is completed that I will call for final inspection before occupancy.
3. I agree to perform all construction in accordance with City Ordinances and Building Codes.
4. The Contractor's signature below denotes authority from the owner to sign in his behalf and that the owner is aware of all requirements of this application and permit. Separate permits must be taken out for work outlined above this agreement.
5. I have read and understand the contents of this application and permit; I hereby state that the information I have supplied on this application is true and correct.

Approval for the work under this permit will be given only after refuse and debris have been removed from job site and public right of way. Separate permits are required for work within the public right of way.
