Las Vegas, Nevada 89104

TO WHOM IT MAY CONCERN:

A waiver has been granted on the corridor requirements at the above listed address based upon the following conditions:

1. The large training room will be separated from the other portion of the structure along the corridor with 1-hour construction with wire glass in all window openings, and a 20-minute door and door closure.
2. Provide one additional exit door from the training room directly to the outside, with latching mechanism which will allow all occupants the ability to exit without any key or special knowledge or work.
3. This waiver is granted under Exceptions, Section 3301, Paragraph D-2 of the Uniform Building Code, 1979 Edition, as accessory use to the main occupancy.
