*Mr. Stefan called and he had received Mr. Schwartz's letter. Read contents of letter over phone to Mr. Behrmann. He was going to check with State to get machinery moved and suggest you change to use property as parking lot.*

WM. R. FITZGERALD  
Building Inspector

H. T. EIDER, Director  
Department Building and Safety

A complaint has been received by this department that the subject property is being used for storage of equipment in violation of City Code. An inspection showed a large crane with "Martin Iron Works" Reno, Nevada on the cab, a van and a homemade camper on the lot with evidence of numerous other vehicles at different times.

This lot is zoned R 4 and unpaved. This use is not allowed for lots of this zone. Consider this letter as ten (10) days notice for this use to cease.

*Very truly yours,*

*Planned -  
check contacting Reno to get crane.  
Long crane moved.  
mfg. Behrmann had everything but  
phone*
