SNWA CONSTRUCTION NOTE:

NOTE:
Contractor shall field locate and protect all SNWA/SNS access appurtenances, including but not limited to AV/AR, access manways and cathodic protection systems. All above ground structures and at grade structures must be adjusted to new grade at contractors expense. Cathodic protection test stations, rectifiers, and AV/AR's must be relocated to the sidewalk per SNWA standards and at the contractors expense. Contractor to NOTIFY SOUTHERN NEVADA WATER AUTHORITY, DEVELOPMENT PLAN REVIEW, at (702) 862-3444 at least 48 hrs. prior to construction activity.

APPROVALS:
[Signature] 7/30/03
SOUTHERN NEVADA WATER AUTHORITY DATE

SNWA approval is valid for one (1) year from the signature date. If construction within the easement or restricted pipe safety zone is not complete, plans must be resubmitted to SNWA for approval.

- SYMBOL AT EACH SERVICE INDICATES THE FOLLOWING BASED ON RECORD INFORMATION:
- 23 No SWG service
 - 21 Existing SWG service, no work required.
 - 22 Cut and Cop 1/2" PVC thin wall service at 4" STL main. MSA in sidewalk vault. Remove MSA and vault, fill void and construct sidewalk to CLV specifications.
 - 23 Abandon 2" PE service when 4" STL main in Rancho is abandoned. Remove riser. No work at main required.
 - 24 Install new 1/2" PE service from new 2" PE main in Belrose and complete by inserting 1/2" PE into existing 1" PVC thin wall to riser. Install anodeless riser. DO NOT set new meter. New customer to request meter at future date.
 - 25 Install new 1" PE service from new 2" PE main in Belrose and install anodeless riser. Abandoned existing 1/2" PVC thin wall service. Remove existing riser.
 - 26 Install new 1" PE service from new 2" PE main in Belrose to tie-into existing 1" PE service at corner of building. Cut and cop 1" PVC branch service near riser.
 - 27 Install new 1" PE service from new 2" PE main in Rancho. Install new anodeless riser. Abandoned existing 3/4" PVC thin wall service when 2" STL main is abandoned in Rancho. Remove riser. No work at main required.
