

STATE OF NEVADA  
County of Clark  
I, C. D. BAKER, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field data of a survey made by me on the 26th day of March, 1939, that it truly and correctly represents the location and extent of the works used to divert water from Las Vegas Valley Division Basin, an underground channel, in Clark County by City of Las Vegas for irrigation purposes under Application No. 9614. That the points of diversion, size and location of diverting channels and pipe lines, location and description of all measuring devices, the location and extent of lands owned, or controlled by the applicant upon which water applied for under Application No. 9614 is used, together with the area and kind of culture in each 40-acre subdivision, and the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated thereon.
