\* The signature above acknowledges the Utility Company representative has reviewed the plans and that to the best of his/her knowledge the utility lines are shown in the correct locations and are the correct sizes. While such data has been collected with reasonable care, there is no expressed or implied guarantee that the locations are exact. The Contractor shall bear the responsibility of obtaining the actual field locations.

The signature above further acknowledges the Utility Company does not anticipate construction or maintenance in the project area for five (5) years in conformance with the CLV no-cut policy.
