

A hand-drawn site plan of a triangular lot. The lot is bounded by Jones Blvd. to the west, Michael Ave. to the east, and Lake Mead Blvd. to the south. The lot is divided into several sections by streets: Mallard (north), Paltzer (northwest), Eugene (northeast), Stacey (south), and Winwood (southwest). A shaded rectangular area is located in the southwest corner, bounded by Jones Blvd., Winwood, and Stacey. A north arrow is located in the upper right corner, pointing towards the top right. A scale bar is located in the lower right corner, indicating that 1 inch equals 30 feet.

UTILITY NOTE

The location of underground utilities shown hereon has been determined from surface evidence of their existence or from information obtained from the utility companies. The Engineer accepts no liability for the existence or non-existence of utility lines. Contractors and others using this map must confirm the location of underground lines or structures with the utility companies prior to commencing any excavation.
