

Avoid cutting underground utility lines. It's costly.

The diagram illustrates a cross-section of a street layout. At the top, a 'PUBLIC STREET' is shown with a 'PUBLIC DRIVEWAY' leading to a 'PRIVATE DRIVE'. The 'PUBLIC DRIVEWAY' is labeled as 'PUBLIC DRIVEWAY (TYPICAL)' and the 'PRIVATE DRIVE' is labeled as 'PRIVATE DRIVE'. The diagram also shows a 'PUBLIC STREET' on the right side, with a 'PUBLIC DRIVEWAY' leading to a 'PRIVATE DRIVE'. The diagram is labeled 'TYPICAL' and 'PUBLIC DRIVEWAY (TYPICAL)'.

Diagram illustrating a vertical cylinder with a piston and a horizontal cylinder connected by a tube. The vertical cylinder has a piston with a weight on top. The horizontal cylinder is connected to the vertical one at its base. The fluid level in the horizontal cylinder is higher than in the vertical one.
