

The plan view shows the proposed and existing alignments of Lake Mead Blvd. The proposed alignment is shown as a solid line, and the existing alignment is shown as a dashed line. The plan includes stationing, bearings, distances, and property boundaries. Key features include:

- Proposed Alignment:** Shown as a solid line with stationing from 100+00 to 100+00.
- Existing Alignment:** Shown as a dashed line with stationing from 100+00 to 100+00.
- Property Boundaries:** Labeled with A.P.N. (Assessor's Parcel Number) and lot numbers.
- Curves:** Detailed with bearings, distances, and curve data (e.g., $\Delta = 07^\circ 56' 50''$, $L = 201.12'$, $R = 1500.00'$, $T = 100.97'$).
- Right of Way:** Indicated by a dashed line with a 50-foot width.
- Match Lines:** Indicated by dashed lines with arrows and the text "MATCH SEE".
- North Arrow:** Located in the upper left corner.
- Scale:** 1" = 50'.

Property Schedule:

APN	Lot	Area (sq. ft.)	Area (sq. ft.)
A.P.N. 110-140-001	100	100	100
A.P.N. 110-140-001	100	100	100
A.P.N. 110-180-017	100	100	100
A.P.N. 110-180-015	100	100	100
A.P.N. 110-180-013	100	100	100
