NEW YORK—A major effort to coordinate the nation's health care delivery system is under way, according to a report from the National Academy of Medicine. The report, "The Future of Health Care Delivery," was released last week. It calls for a major effort to coordinate the nation's health care delivery system, including the development of a national health care system, the creation of a national health care authority, and the establishment of a national health care council.

USEFUL NOTES

ALL AT HOME FILTERS (e.g. water
clay, sponges, seaweeds, grass
mats, floating mats, etc.)
SHALL BE ADJUSTED TO PROPOSED
PRODUCT DESIGN.
