**Subject:** Smoke Ranch Residential/Commercial General Plan Amendment and Rezoning Requests (GPA-50843/ZON-50844 & GPA-50828/ZON-50829)

Good morning Talita-

We would like to substitute the proposed neighborhood meeting location for the following General Plan Amendment requests: GPA-50843 (medium density residential to medium low density residential) and GPA-50828 (medium density residential to general commercial). Our recommendation is to hold the meeting here in Conference Room C, on the third floor of the Development Services Center at 333 North Rancho Drive from 5:30 pm to 6:30 pm on 9/16/13. We also want both GPA requests to be discussed at this meeting.

Also, there is no address or contact information on the applications submitted for these projects (PRJ-50726 and PRJ-50727). I need two revised applications uploaded for each PRJ (this covers both the GPA and Rezoning request within each PRJ); however, the revised applications are a moot point until the parent parcel (APN 139-18-410-012) has been properly mapped into parcels reflecting the requested land use/zoning districts. After you have remapped the property, please provide the revised applications with the appropriate parcel number and the required applicant contact information. You can still hold the neighborhood meeting, but these items will not be placed on the 10/08 PC agenda until these items are resolved.

Thank you,
