PRESS RELEASE

City of Las Vegas

April 18, 1961

Sidney R. Whitmore, City Attorney, ruled this morning that three island areas within the City are now a part of the City by reason of AB 283 signed by the Governor on March 29th. This bill extended the boundaries of the city in certain areas.

Whitmore pointed out that this action resulted from a resolution adopted by the Las Vegas City Commission on February 1, 1961. The resolution noted that numerous persons within these island areas continually request city services and that the City of Las Vegas continually provides emergency services in these areas. It is further noted that these three small island areas are surrounded on all sides by the boundaries of the city.

The resolution, as adopted by the City Commission, requested the necessary legislation to provide that these three island areas "be required to establish some type of district control within their areas whereby they could furnish to themselves the necessary services within a period of one year.....or agree to annexation by the City of Las Vegas within said period of time."

(END)

R E S O L U T I O N

WHEREAS, there are presently three small island areas bordering the city limits of the City of Las Vegas, Nevada and surrounded on all sides by the boundaries of this City; and

WHEREAS, numerous persons within these island areas continuously request city services with a special reference to sewer connections and fire-fighting equipment; and

WHEREAS, when emergencies arise, the city administration of the City of Las Vegas, Nevada deems it unjust to deny emergency services to such persons within said areas; and

WHEREAS, it is unfair to the residents of the City of Las Vegas, Nevada in that they carry the burden of providing said services and the persons within said island areas, who are not residents of the City, are obtaining said services without charge; and

WHEREAS, other difficulties are encountered such as police enforcement, all of which could be avoided if the said areas were annexed to the City of Las Vegas, Nevada.

NOW, THEREFORE, BE IT RESOLVED by the Board of Commissioners of the City of Las Vegas, Nevada, at a regular meeting held on the first day of February, 1961, that the Clark County Delegation to the Nevada State Legislature is hereby requested to have introduced for adoption the necessary legislation to provide that said three island areas, as hereinafter more particularly described, be required to establish some type of district control within their areas whereby they could furnish to themselves the necessary services within a period of one year, or that said areas, in lieu thereof, agree to annexation by the City of Las Vegas, Nevada within said period of time.

BE IT FURTHER RESOLVED that the legal descriptions of said areas are described as follows:

Parcel 1. The West One-half ($W\frac{1}{2}$) of the Northeast

Quarter ($NE\frac{1}{4}$) and the West 575.7 feet of the Southeast Quarter ($SE\frac{1}{4}$) of the Northeast Quarter ($NE\frac{1}{4}$), Section 6, Township 21 South, Range 61 East.

Parcel 2. Tankels North Addition #2; and the Northwest Quarter ($NW\frac{1}{4}$) of the Southwest Quarter ($SW\frac{1}{4}$) of the Southwest Quarter ($SW\frac{1}{4}$), and the North One-half ($N\frac{1}{2}$) of the Southwest Quarter ($SW\frac{1}{4}$) of the Southwest Quarter ($SW\frac{1}{4}$) of the Southwest Quarter ($SW\frac{1}{4}$), Section 25, Township 20 South, Range 61 East.

Parcel 3. Blocks 3, 4, and 6, and Lots 12 through 19 of Block 2 of Fisher's Fremont Street Boulder Dam Highway First Sub-division.

BE IT FURTHER RESOLVED that a copy of this resolution be forwarded to each member of the Clark County Delegation to Nevada State Assembly.

ADOPTED AND APPROVED this ____ day of February, 1961.

Dear Mr. Hays:

This is in reply to your letter of June 6 regarding annexations to the City of Las Vegas.

We regret any inconsistency in the material submitted to your Office.

The heavy dark broken line on the map properly circumscribes the extent of this particular annexation. The area cross-patched in green is included in the City. The area between Oakley Blvd. (shown as Porter Drive on this map) and Las Lomas Avenue has been a part of the City for several years. Hinson is the correct name of the street leading south from Charleston Blvd.

Perhaps I can best clear up any inconsistencies regarding this and the other two annexations by stating that the purpose of these annexations was to eliminate any and all "islands" of unincorporated territory entirely surrounded by the City. Therefore, there is no unincorporated area left in the vicinity of this annexation.

I hope this will clear up the matter. Thank you for your continued cooperation.

Very truly yours,

FRANKLIN J. BILLS

Dear Mr. Bills:

Under date of June 2 you sent us maps showing three recent annexations to the corporate limits of the City of Las Vegas. We had previously received 1"=600' maps of these areas from Chief Williams.

The printed boundaries for Artisian Heights on the 1"=600' map do not agree with the red pencil boundaries on your map. I have drawn them in red on a copy of the 1"=600'. The green hatched area to the east of Hinson shows as outside the annexation on your map.

Hinson shows as Marline on your map.

The green hatched area south of Porter Drive shows as outside the annexation on the 1"=600' map. Is Las Lomas Avenue the correct southern boundary for this area?

Very truly yours,

The above became effective upon passage and approval and has been signed by the Governor.

Will you please advise as to whether the areas embraced by the above are officially a part of the City now and, if so, what type action is needed to acknowledge this. I believe that this poses certain complications and ramifications relative to the pending City election. However, in arriving at a determination of this matter it perhaps becomes necessary to keep in mind the fact that in the event this is part of the City now, certain obligations relative to fire protection, police protection, etc., are in existence.

My concern in this matter is requested by the fact that I usually advise the various City departments when additions are made to the City; however, I do not want to do so in this case until authorized by your office. I would appreciate an early reply on this matter.
