Mayor Gragson called attention to a letter addressed to the Commission regarding a proposed building site for the relocation of the Chamber of Commerce on City owned property at the northwest corner of Las Vegas Boulevard North and Mesquite Street, across the street from the present City Hall.

Messrs. Ray Culley, President of the Chamber of Commerce; Cedric Olson, and Robb Johnson of the Building Committee appeared before the Commission to answer questions regarding this proposed site. There was considerable discussion regarding a 50-year lease arrangement, or possible purchase of the property by the Chamber. Mr. Gene Sear appeared to protest, however stated he would not protest the multi-family zoning along Sahara. The hand count of those protesting in the audience was approximately 20.

Mr. Bills, representing First Western Savings and Loan Assn. appeared. He presented the proposed development plan of the entire area, outlining the contemplated plans. He stated that the area designated for single family residence would be comparable to the homes in this area. Further, he stated that the tentative design for the multiple family area would be new to this region, as would be a clustering of apartments around a large open landscaped area, getting away from the row-type of design. The commercial development has been proposed to serve not just this immediate area, but the western section of the entire city. He further stated that the strip of multiple family dwellings so-called buffering the proposed commercial, was not considered a major portion of this development. However, as proposed on the development plan, they will be of one-lot depth facing the commercial development. Mr. Bills further stated that the principal access to the commercial development would be from Sahara Avenue and the proposed Freeway, not causing any increased traffic on Rancho Drive, which will end at Sahara.

At this time Mr. Bills agreed to meet with a committee from both the Planning Commission, Planning Staff, and the protestants, to work out an agreeable development plan. Mr. John Shedd appeared to protest the application in its entirety. He presented a petition of protest with 122 names attached.

Mr. Paul Pattenson appeared to protest.

Mrs. John Hoopes appeared to object to the commercial development.

Mr. Robert Patten appeared to protest.

Mrs. Frank Peters appeared to protest.

Mr. Paul Pattenson again appeared, stating he felt that a meeting with the applicant, representatives from the Planning Commission, Planning Staff, and the protestants would be the best way to work out a development plan agreeable to all concerned.

The Chairman declared the public hearing closed.

At this time Chairman Cahlan appointed Mr. Empey chairman of the Commission Committee, with Mr. Gilday. Mr. Pattenson, acting chairman of the Protestants' Committee was to choose five or six others to represent the people in the area. Director of Planning Don J. Saylor would represent the Planning Staff. The meeting date set was Monday, April 29, 1963, at 8:00 PM in the Council Chambers of the City Hall, Las Vegas, Nevada.

Mr. Gilday moved that the application of FIRST WESTERN SAVINGS AND LOAN ASSN. for the reclassification of property generally located on the north side of Sahara Avenue between Rancho Drive and Valley View Boulevard, from R-1 to R-3 and C-1 be held in abeyance.

Mr. Johnston seconded the motion and the vote was unanimous.

4. WESTWOOD VILLAGE Overall Development Plan

Mr. Saylor stated that due to the fact that this is tied directly to the item just above, it too should be held in abeyance.

Mr. Gilday moved that WESTWOOD VILLAGE - OVERALL DEVELOPMENT PLAN be held in abeyance.

Mr. Johnston seconded the motion and the vote was unanimous.

Mr. Saylor gave the Staff report, pointing out the general location. He stated that it was a small parcel under one ownership. Staff recommended approval.

Generally located on the northwest corner of Reiter and Decatur Boulevard.

Mr. Saylor gave the Staff report, pointing out the general location. He stated further that this is a small parcel under one ownership. Staff recommended approval.

Mr. Chuck Ruthe, a County resident, protested this annexation.

After discussion, Mr. Empey moved that the Petition of JOHN J. REID for the annexation of property generally located on the northwest corner of Reiter and Decatur Boulevard be approved.

Petition of LOUIS MIRANTI for the vacation of property legally described as commencing at the southwest quarter corner of Section 25, T20S, R60E, MDB&M; thence north 89°39'14" west along the south line of the southwest quarter of said Section 25, a distance of 1341.07 feet to the southwest corner of Northridge Unit No. 1; thence north 0°51'20" east along the west boundary of the said Northridge Unit No. 1, a distance of 236.01 feet to the true point of beginning; thence continuing north 00°51'20" east a distance of 9.00 feet to a point; thence south 89°39'14" east a distance of 85.14 feet to a point of curvature of a curve concave to the northwest, having a radius of 15.00 feet and subtending a central angle of 89°29'26"; thence northeasterly along said curve an arc length distance of 23.43 feet to a point of tangency; thence south 0°51'20" west a distance of 9.00 feet to a point of curvature of a curve concave to the northwest, having a radius of 15.00 feet and subtending a central angle of 89°29'26"; thence southwesterly along said curve an arc length distance of 23.43 feet to a point of tangency; thence north 89°39'14" west, a distance of 85.14 feet to the true point of beginning. Generally described as a portion of Reba Avenue between Orland and Catalini Street.

Mr. Saylor gave the Staff report pointing out the general location. He stated further, that the situation here is that a 51 foot street as required in an R-1 area meets a 60 foot street required in the multiple zoned area adjacent to the single family residential area. The original plan was to have the different widths meet at the intersection of Reba Avenue and Catalini Street, however, due to an error in the field, they meet at the alley, leaving a small strip of right-of-way along Reba Avenue from Catalina Street to the alley to serve no purpose. The street curbs have been installed making this section of Reba Avenue a 51 foot street. Staff recommended approval.

After discussion, Mr. Gilday moved that the Petition of LOUIS MIRANTI for the vacation of property generally
