INTER-OFFICE MEMORANDUM

Date

March 14, 1980

TO: NULL	FROM: GENZER 
SUBJECT: PM-9-80 - ANTHONY PICHULO PM-10-80 - DANIEL VALARDI	COPIES TO:

These properties are located on the west side of Decatur Boulevard, north of Gowan Road in Zoning District R-E. The applications are being handled as one item in that they are located north and south of a new street alignment which was approved by the Planning Commission at their meeting of February 26, 1980. This street is to be named Martinelli Court.

It should be noted that while sewer services to these lots will be provided by individual septic tank systems, water will be provided by the City of North Las Vegas, thus eliminating the need for one-acre size parcels.

The Department of Public Services has indicated several corrections to be made to each map, all of which have now been done by the Surveyor. The maps are, therefore, in order and staff recommends approval subject to the requirements of all City departments and State Subdivision Statutes.
