The property is located between Richfield Blvd. and Paseo Del Prado, north of West Sahara Ave.. The zoning is R-1 and C-1. This is a further division of a previously approved and recorded parcel map. Three parcels are being created: lot 1 is 3.2 acres, lot 2 is 3.3 acres, and lot 3 is 1.8 acre. The Department of Public Works had one correction; this has been done. There are no zoning problems. Staff feels that this application is in order and recommends approval, subject to the requirements of all City Departments and State Subdivision Statutes.

This Division will have no objections to the approval of the subject parcel map although the existing buildings were not shown on the map, the asbuilt plot plan was submitted showing the buildings in relation to the proposed property lines which we feel fulfills the intent of the City of Las Vegas Municipal Code.
