Re: PM 20-02 Reversionary Map Greymouth LLC

Attached is a redlined drawing delineating comments from Survey review. **The redlined print must be returned along with the corrected drawing for approval.**

PLEASE NOTE: These comments are for survey review only. Please do not submit the mylar to Land Development, Public Works Department, until the map is also in compliance with the comments from Public Works noting the conditions of approval.

Comments:

Please correct the data for the returns at the two north property corners.

Please correct the notary acknowledgement to the form set forth in NRS 240 when one is signing in a capacity other than an individual.

Since this map is reverting parcel map lots and is in the form of a parcel map, it should record in Parcel Maps rather than Plats. Please revise the recorder's block.

Please correct the legend as noted.
