FROM:

GENZER

SUBJECT:

PM-21-80 - WILLIS SLOAS

COPIES TO:

This property is located on the north side of San Miguel Avenue between Theresa Way on the west and Georgeina Drive on the east in Zoning District R-E. The applicant applied for a Variance (V-1-80) to allow 16,666 sq. ft. lots where 20,000 sq. ft. is required. The application was approved by the Board of Zoning Adjustment on February 28, 1980 with conditions. A copy of the letter of approval is enclosed in the file.

The Department of Public Services has indicated several corrections to be made to the map, all of which have now been done by the Surveyor. The map is, therefore, in order and staff recommends approval subject to the requirements of all City departments and State Subdivision Statutes.

Re: ✓ V-1-80

Dear Mr. Sloas:

Your request for a Variance to allow 16,666 sq. ft. lots where 20,000 sq. ft. lots are required on property generally located on the north side of San Miguel Avenue between Theresa Way and Decatur Boulevard in Zoning District R-E, was considered by the Board of Zoning Adjustment at its regular meeting held February 28, 1980.

It was voted by the Board to APPROVE your request as being in accord with the general spirit and purpose of the Ordinance, subject to the following conditions:

1. No horses be permitted on these lots.
2. Securing all necessary permits and licenses and satisfaction of City code requirements and design standards of all City departments.

This action by the Board of Zoning Adjustment on February 28, 1980, is final unless an appeal, in writing, is filed with the City Clerk within eleven days, or there is a review action filed by the City Commission within fourteen days.

An approved Variance must be exercised within six months or it becomes null and void, unless a request for an extension of time is duly filed and approved by the Board within the six month time limit.

Sincerely,

COMMUNITY PLANNING AND DEVELOPMENT
HAROLD P. FOSTER, DIRECTOR

In response to your request dated March 19, 1980, we request that the following corrections and additions be made to the subject map and application prior to our approval.

1. The recorded deed shows certain reservations for road purposes. These reservations should be withdrawn so that dedication to the City of Las Vegas can be accomplished without reservations casting a possible cloud on the title.
2. Access to the property for a minimum of 330 feet must be shown on the map as required by ordinance.
3. The square footage of each parcel created must be shown as required by ordinance.
