COPIES TO:

This property is located on the southeast corner of Bradley Road and Horse Drive in zoning district R-E. The map will create four two-acre parcels. The Department of Public Works required several changes which have been made. They also required that a letter from the owner be submitted requiring that Bradley Road and Unicorn Street be graded and gravelled prior to sale or development of parcels. We have received the letter. There are no zoning problems. Staff feels that this application is in order and recommends approval, subject to the requirements of all City Departments and State Subdivision Statutes.
