ZONE CHANGE - Z-53-63 - APPLICATION OF THE CITY OF LAS VEGAS, NEVADA for reclassification of property generally located south of Evergreen on the west side of Upland Drive, and between Mohawk Street and Decatur Boulevard, north of West Charleston Boulevard, from R-1 to C-V, legally described as:

Government Lots 5, 13, 14, 27 and 38 of the South Half (S-1/2) of the South Half (S-1/2) of Section 36, Township 20 South, Range 60 East, MDB&M.

The Director of Planning, Mr. Donald J. Saylor: These two applications concern city owned property and we are requesting Civic zoning on these two properties, which permits quasi-public uses, churches, parks, recreational areas, etc. The Planning Commission recommended approval, and there were no protests at their public hearings.

Commissioner Levy moved that the applications of the City of Las Vegas, Nevada (Z-52-63 and Z-53-63) for reclassification of property generally located between Bonanza Road and Washington Avenue and between 25th Street and Pecos Road; and property generally located south of Evergreen on the west side of Upland Drive and between Mohawk Street and Decatur Boulevard, north of West Charleston Boulevard, from R-1 to C-V, be APPROVED.

Motion seconded by Commissioner Mirabelli and carried by the following vote: Commissioners Mirabelli, Levy, Fountain, Whipple, and Mayor Gragson voting aye; noes, none.

REQUEST FOR CITY
SEWER LINE TO NORTH-
WEST CORNER OF
TONOPAH HIGHWAY
AND CRAIG ROAD AND
PROPOSED ANNEXATION

Discussion only

The Director of Planning, Mr. Donald J. Saylor, referred to a written request from the Nevada Land and Mortgage Company, signed by Mr. E. A. Freitas, Executive Director, dated April 10, 1963, that the City of Las Vegas provide sewage facilities to their proposed project on the northwest corner of Tonopah Highway and Craig Road, which will consist of a Texaco Service Station, a Supper Club, and a 341 unit Trailer Park.

A brief discussion revealed that the Nevada Land and Mortgage Company had signed and submitted a petition to annex the subject property to the City of Las Vegas some time ago; that the property owner between the City Limits and Mr. Freitas' property is willing to sign for the annexation, and if he does sign, the City Limits could then be continued and might even take in a large area of undeveloped land in one annexation.

Mr. Saylor briefly discussed two plans whereby this area could be hooked on to the sewer line, and the costs involved.

It was the consensus of the Commission that the Director of Planning should proceed with the annexation petition and if this property is annexed the City would help them as much as possible with the necessary sewer connection.

to C-V will permit the proposed uses. The record indicates no protests.

The Chairman declared the public hearing open.

No one appeared to protest or approve.

The Chairman declared the public hearing closed.

After discussion, Mr. Johnston moved that the application of the CITY OF LAS VEGAS, NEVADA for the reclassification of property generally located between Bonanza Road and Washington Avenue and between 25th Street and Pecos Road, from R-E to C-V, be approved.

Mr. Empey seconded the motion and the vote was unanimous.

3. Z-53-63

Approved

Application of the CITY OF LAS VEGAS, NEVADA for the reclassification of property legally described as Government Lots 5, 13, 14, 27, and 38 of the south half (S 1/2) of the south half (S 1/2) of Section 36, T20S, R60E, MDB&M, and generally located south of Evergreen on the west side of Upland Drive and between Mohawk Street and Decatur Boulevard north of West Charleston Boulevard, from R-1 to C-V.

Mr. Foster gave the Staff report pointing out the general location. He stated that this City owned parcel was also proposed for parks and recreational facilities. The record indicated no protests and Staff recommended approval.

The Chairman declared the public hearing open.

No one appeared to protest or approve.

The Chairman declared the public hearing closed.

After discussion, Mr. Gilday moved that the application of the CITY OF LAS VEGAS, NEVADA for the reclassification of property generally located south of Evergreen on the west side of Upland Drive and between Mohawk Street and Decatur Boulevard north of West Charleston Boulevard, from R-1 to C-V, be approved.

Mr. Empey seconded the motion and the vote was unanimous.

4. VAC-4-63

Approved

Petition of the CLARK COUNTY SCHOOL DISTRICT to vacate property legally described as:

(1) All of that portion of 3rd Street from the west right-of-way line of "E" Avenue to the east right-of-way line of "F" Avenue.

(2) The east 10' of "F" Avenue from a point 10' south of the north right-of-way line on 2nd Street, and extending to a point 10' north of the south right-of-way line of 4th Street.

(3) The south 10' of 4th Street from the west right-of-way line of "E" Avenue to the east right-of-way line of "F" Avenue.

(4) The north 10' of 2nd Street from the west right-of-way line of "E" Avenue to the east right-of-way line of "F" Avenue.

Generally located in the west half (W 1/2) of LaMesa Tract.

Mr. Foster gave the Staff report pointing out the general location. He stated that the other half portion of the streets to the north, east and south of the school site had already been vacated, leaving a 40 foot half-street right-of-way adjacent to the school site. As the Ordinance requires only a 30 foot half street, the vacation of the 10 feet would enlarge the school site, and by vacating this portion of 3rd Street, the parcel would not be divided in the middle. Staff recommended approval.

After discussion, Mr. Gilday moved that the petition of the CLARK COUNTY SCHOOL DISTRICT to vacate property generally located in the west half of the LaMesa Tract be approved.

Mr. Johnston seconded the motion and the vote was unanimous.

5. CHARLESTON
ESTATES UNIT NO. 6

Tentative Map

Abeyance

Mr. Foster presented the tentative map of CHARLESTON ESTATES UNIT NO. 6, pointing out the general location. He further stated there are several problems to work out, one of which is the objections of the Las Vegas Water District at this time. The ownership and exchange of properties for water facilities would have to be solved. Staff
