D. ZONE CHANGE - Z-108-79 - JAMES E. ROGERS

Property located at 411 South 6th Street, from R-4 to P-R.
Proposed Use: Law Office

The request is along the east side of 6th Street in a block where P-R zoning is already approved. On the west side of 6th Street there is C-1 zoning. Las Vegas High School is approximately one block to the east.

PLANNING COMMISSION RECOMMENDATION: Approval.

STAFF RECOMMENDATION: Approval.

E. ZONE CHANGE - Z-109-79 - RICHARD N. KING

Property located at 404 Ramsey Street, from R-1 to P-R.
Proposed Use: Offices

The property is located in the Twin Lakes Village Subdivision that backs up to the commercial on Rancho Drive. To the north of Bonanza is a commercial shopping center. The applicant has an approved home occupation permit on the property for a bookkeeping operation. He intends to move to another location but wishes to retain his office operation on this property. The home occupation permit would no longer be valid if he does not live on the premises; consequently, he is seeking a P-R zoning to maintain the office use. The entire Twin Lakes Subdivision is zoned R-1 and if this were to be approved, there would be no logical termination of a P-R zoning pattern in the subdivision.

PLANNING COMMISSION RECOMMENDATION: Denial - contrary to the established zoning pattern.

STAFF RECOMMENDATION: Denial.

PROTESTS: 0

F. ZONE CHANGE - Z-110-79 - VINCENT COSTANTINO

Property located at 619 South 10th Street, from R-1 to R-2.
Proposed Use: Duplex

The request is located in a block that has apartment zoning. The lot immediately to the north is zoned R-3. Across the street on the west side of 10th Street is R-1 zoning. The applicant wishes to convert the existing single family residence to a duplex.

PLANNING COMMISSION RECOMMENDATION: Approval - the request is in accordance with the zoning pattern on this block.

STAFF RECOMMENDATION: Approval.

PROTESTS: 0

G. USE REVIEW - Z-145-77 - PARK SAHARA COMPANY

Use Review to allow a restaurant in the Park Sahara Office Center on property located at 1830 East Sahara Avenue, C-1 zone.

This involves the Park Sahara Office Complex that had a portion of the complex developed several years ago and now the remainder of the construction is just being completed. In one of the buildings on the north central portion of the property it is proposed that a restaurant be installed on the ground floor of a two-story building. At the time the zoning was approved on the entire property there was a condition placed on it that the development be limited to office use only. This request is to alter that condition for a restaurant that will be used primarily by the persons working or visiting this complex.

PLANNING COMMISSION RECOMMENDATION: Denial - The request is contrary to the original intent of this development and it was felt that restaurant facilities exist in close proximity to this development on Sahara Avenue.
