Re: Zone Change - Z-112-62

Dear Sir:

At the regular meeting of the Board of City Commissioners held December 12, 1962, consideration was given your application for reclassification of property generally located on the east side of 13th Street between Fremont Street and Ogden Avenue, from R-5 to C-2.

Upon motion duly made, seconded and carried, a resolution of intent to rezone this property was adopted subject to the condition that the building be constructed in accordance with the plan submitted at the meeting.

Yours very truly,

(Mrs.) Juanita A. Frary
City Records Clerk

Commissioner Fountain amended his motion to read as follows: That a resolution of intent to rezone property generally located on the east side of 25th Street, between Owens Avenue and Searles Avenue, from R-3 to C-2, be ADOPTED, subject to the following conditions:

1. Conformance to the Plot Plan.
2. That the area indicated on the Plot Plan for professional offices, constituting the north 75 feet from the proposed extension of Searles Street and extending for the entire depth of the property be R-4.
3. That all letters submitted to date offering rights-of-way dedications and easements become a matter of record and are deemed to be in full force and effect and binding upon the applicant.

Commissioner Whipple seconded the motion as amended, which carried by the following vote: Commissioners Mirabelli, Fountain, Whipple, and Mayor Gragson voting aye; noes, none.

ZONE CHANGE (Z-112-62) - APPLICATION OF ARTHUR PASSARELLI for reclassification of property generally located on the east side of 13th Street, between Fremont Street and Ogden Avenue, from R-5 to C-2, legally described as follows:

Lots 7 and 8, Block 9, Ladd's Addition.

Director of Planning, Mr. Donald J. Saylor: This application has been held in abeyance from the meetings of November 14 and November 28, and at the last meeting, we did have a plot plan, but the plan was not complete nor was Mr. Passarelli present. However, he is here tonight; and I do now have a plot plan which proposes a 37 room hotel with 29 parking spaces. Under R-5, which is the present zoning on the property, the parking ratio is 2 for 1. In other words, he could build 24 apartments, with only 12 parking spaces. In effect, this is an application to rezone the property to C-2 so that he can construct a hotel. Under the R-5 zoning he can only build 24 units.

Commissioner Whipple: As I recall, the protestants indicated they would withdraw their protests, if he provided adequate parking, is that right?

Mr. Saylor: That was my understanding of it.

Rev. Carl Friesen, representing the Church of the Nazarene located on the southwest corner of 14th and Ogden: This was our objection mainly that we didn't want to throw a lot more cars on the streets. We have no objection to him building a hotel, and consequently we couldn't have any objection to changing the zoning to C-2, if the parking problem is adequately taken care of. Would this zoning change come under this particular stipulation -- or if Mr. Passarelli in the next six months would change his mind, which every man has a right to do, and he could sell this property as C-2 property and the new owner could establish something else on it. My people have no objection to this zoning if parking is adequately taken care of.

Commissioner Fountain: In other words, have the zoning only apply to this particular plan.

Mr. John Rapp, the property owner directly across the alley from the proposed hotel, stated that he would also withdraw his protests if Mr. Passarelli received approval only on the plan submitted and not as merely a rezoning.

Commissioner Fountain moved that a resolution of intent to rezone property generally located on the east side of 13th Street, between Fremont Street and Ogden Avenue, from R-5 to C-2, be ADOPTED, subject to the condition that the proposed development be constructed in accordance with the plot plan as submitted by Mr. Passarelli at this meeting.

Motion seconded by Commissioner Whipple and carried by the following vote: Commissioners Mirabelli, Fountain, Whipple, and Mayor Gragson voting aye; noes, none.

ORDINANCE NO. 1014

Referred to
Committee.

An Ordinance entitled: "AN ORDINANCE TO AMEND ORDINANCE NO. 972 OF THE CITY OF LAS VEGAS, NEVADA, TO AMEND SECTION II, SUBSECTION E BY PROVIDING FOR THE ADOPTION OF A NEW ZONING MAP; TO AMEND SECTION VI, SUBSECTION E BY CHANGING THE SETBACK REQUIREMENTS WITH RESPECT TO SIDE AND REAR YARDS IN DISTRICTS HAVING AN "R" PREFIX; TO AMEND SECTION XIX, SUBSECTION B BY MODIFYING REGULATION OF STORAGE OF NURSERY STOCK; TO AMEND SECTION XXII, SUBSECTIONS A(1) AND B BY ELIMINATING CERTAIN RESTRICTIONS WITH RESPECT TO USES PERMITTED IN THE "M" DISTRICT; TO AMEND SECTION XXV, SUBSECTION B (9) BY CLASSIFYING THE PROCEDURE TO BE FOLLOWED WITH RESPECT TO THE RECLASSIFICATION OF LAND; PROVIDING OTHER MATTERS PROPERLY RELATING THERETO; AND REPEALING ALL ORDINANCES AND PARTS OF ORDINANCES IN CONFLICT HEREWITH." was read by title by the City Attorney, Sidney R. Whitmore, who stated that the foregoing Ordinance No. 1014 should be referred to a Committee.

Mayor Gragson appointed Commissioners Whipple and Fountain as the Committee for Recommendation on the foregoing entitled Ordinance No. 1014.

ORDINANCE NO. 1012

Adopted

An Ordinance entitled: "AN ORDINANCE ANNEXING TO, AND MAKING A PART OF THE CITY OF LAS VEGAS CERTAIN SPECIFICALLY DESCRIBED TERRITORY ADJOINING AND CONTIGUOUS TO THE CORPORATE LIMITS OF THE CITY OF LAS VEGAS; DECLARING SAID TERRITORY AND INHABITANTS TO BE ANNEXED THERETO AND SUBJECT TO ALL LAWS AND ORDINANCES; ORDERING A PLAT SHOWING SAID TERRITORY TO BE RECORDED IN THE OFFICE OF THE COUNTY RECORDER OF THE COUNTY OF CLARK, STATE OF NEVADA, AND PROVIDING OTHER MATTERS PROPERLY RELATED THERETO." was read by title by the City Attorney, Sidney R. Whitmore.

Commissioner Whipple speaking for himself and Commissioner Levy, the Committee for Recommendation on Ordinance No. 1012, reported this Ordinance out of Committee favorably; whereupon he moved that the foregoing entitled Ordinance No. 1012 be ADOPTED.

Motion seconded by Commissioner Fountain and carried by the following vote: Commissioners Mirabelli, Fountain, Whipple, and Mayor Gragson voting aye; noes, none.

Abeyance to
Dec. 12, 1962

ZONE CHANGE (Z-112-62) - APPLICATION OF ARTHUR PASSARELLI for reclassification of property generally located on the east side of 13th Street, between Fremont Street and Ogden Avenue, from R-5 to C-2, legally described as follows:

Lots 7 and 8, Block 9, Ladd's Addition.

Director of Planning, Mr. Donald J. Saylor: This matter was heard in a previous meeting and held in abeyance for submittal of a plot plan. In essence, the application is for a change from R-5 to C-2 for the construction of a hotel. Under the R-5 present zoning, he could build 24 apartment house units, and he is proposing a 44 room hotel. He submitted a plan this afternoon, but the parking is not laid out on the plan; but just roughly I would say he could probably provide about 20 spaces -- or about the same ratio that they would have to provide in an R-5 zone. There were three protests, and the Planning Commission recommended denial essentially on the basis that they didn't feel commercial hotel use was proper.

Mr. Carl Friesen, representing the Church of the Nazarene located on the southwest corner of 14th and Ogden; and Mr. John Rapp, an adjoining property owner, both stated that they had no serious objections to the hotel itself, providing sufficient off-street parking would be provided.

Further discussion revealed that Mr. Passarelli was not present at the meeting nor represented, and that the plans he had submitted merely indicated an open area for parking, but did not indicate the number of spaces that would be provided.

Commissioner Levy moved that the application of Arthur Passarelli (Z-112-62) for reclassification of property generally located on the east side of 13th Street, between Fremont Street and Ogden Avenue, from R-5 to C-2, be held in ABEYANCE until the meeting of December 12, 1962 at which time definite action would be taken, and that Mr. Passarelli be informed that it would be necessary to submit a plot plan clearly indicating the number of off-street parking spaces that would be provided.

Motion seconded by Commissioner Whipple and carried by the following vote: Commissioners Levy, Whipple, and Mayor Gragson voting aye; noes, none.

TENTATIVE MAPS OF:

RICHFIELD VILLAGE
NO. 5

TENTATIVE MAP OF RICHFIELD VILLAGE NO. 5, submitted by Teddy Rich Enterprises, comprising approximately 7.3 acres (37 lots) generally located south of West San Francisco Avenue and east of Richfield Boulevard, legally described as follows:

The North Half (N-1/2) of Section 8, Township 21 South, Range 61 East, MDB&M.

RICHFIELD VILLAGE
NO. 6

TENTATIVE MAP OF RICHFIELD VILLAGE NO. 6, submitted by Teddy Rich Enterprises, comprising approximately 58 acres (287 lots) generally located south of West San Francisco Avenue and east of Valley View Boulevard, legally described as follows:

Portion of the Northwest Quarter (NW-1/4) of Section 8, Township 21 South, Range 61 East, MDB&M.

Director of Planning, Donald J. Saylor, stated that this property is also in the newly annexed area and that the request for R-1 zoning is normal procedure for preparing land that is ready for subdivision development, and that the Planning Commission recommended approval.

Commissioner Mirabelli moved that a resolution of intent to rezone property generally located between Jones Boulevard, Michael Way, Smoke Ranch Road and College Avenue from R-R to R-1 be ADOPTED.

Motion seconded by Commissioner Levy and carried by the following vote: Commissioners Mirabelli, Levy, Whipple, and Mayor Gragson voting aye; noes, none.

ZONE CHANGE
Z-110-62

Adopted resolution of intent to rezone to R-1.

ZONE CHANGE (Z-110-62) - APPLICATION OF ROUND UP REAL ESTATE for reclassification of property generally located on the north side of Vegas Drive between Tonopah Drive and Cherokee Lane from R-E to R-4, legally described as follows:

The West Half (W-1/2) of the Southeast Quarter (SE-1/4) of the Southeast Quarter (SE-1/4) of Section 20, Township 20 South, Range 61 East, MDB&M.

Director of Planning, Donald J. Saylor: This property was also recently annexed to the City. Immediately to the south is an 80 acre parcel that is in the process of being subdivided for single family development. The Planning Commission recommended that this application be amended to R-1 and this was agreeable to the applicant. The Planning Commission recommends approval to R-1.

Commissioner Mirabelli moved that a resolution of intent to rezone property generally located on the north side of Vegas Drive between Tonopah Drive and Cherokee Lane as amended to R-1 be ADOPTED.

Motion seconded by Commissioner Whipple and carried by the following vote: Commissioners Mirabelli, Levy, Whipple, and Mayor Gragson voting aye; noes, none.

ZONE CHANGE
Z-112-62

Abeyance

ZONE CHANGE (Z-112-62) - APPLICATION OF ARTHUR PASSARELLI for reclassification of property generally located on the east side of 13th Street, between Fremont Street and Ogden Avenue, from R-5 to C-2, legally described as follows:

Lots 7 and 8, Block 9, Ladd's Addition.

Director of Planning, Donald J. Saylor: The property is vacant and present Zoning of R-5 permits some 24 units, and the request for C-2 was to permit construction of a 40 room hotel. There were three protests from property owners in the area who felt that the area was already dense enough, and except for this property, was pretty fully developed.

Mr. John Rapp, property owner across the alley, protested the granting of this application because of the added parking problems this would create in an already congested neighborhood.

Mayor Gragson asked if Mr. Passarelli or anyone representing him was present, to which there was no response. Inasmuch as the protests were primarily against the added parking problems that this development would create, it was the consensus that the applicant be requested to submit a plot plan showing the number of offstreet parking spaces that would be provided.

Commissioner Whipple moved that the application of Arthur Passarelli (Z-112-62) for reclassification of property generally located on the east side of 13th Street, between Fremont Street and Ogden Avenue from R-5 to C-2 be held in ABEYANCE, and that Mr. Passarelli be requested to submit a plot plan of the proposed development.

Motion seconded by Commissioner Mirabelli and carried by the following vote: Commissioners Mirabelli, Levy, Whipple, and Mayor Gragson voting aye; noes, none.

ZONE CHANGE
Z-114-62

Adopted resolution of intent to rezone to R-5.

ZONE CHANGE (Z-114-62) - APPLICATION OF R. J. COLLET AND NICKOLAS J. HELLMAN for reclassification of property generally located on the northwest corner of Clifford Street and Atlantic Street from R-4 to R-5, legally described as follows:

Lots 25, 26, 27, 28, 29, 30, 31 and 32, Block 5, Fishers
Fremont Street - Boulder Dam Highway - First Subdivision.

Director of Planning, Donald J. Saylor: This property is located immediately to the west of the Showboat. This request for R-5 is on the basis that it is in conjunction with tourist accommodations, and the Planning Commission recommended approval.

Commissioner Mirabelli moved that a resolution of intent to rezone property generally located on the northwest corner of Clifford Street and Atlantic Street from R-4 to R-5 be ADOPTED.

Motion seconded by Commissioner Whipple and carried by the following vote: Commissioners Mirabelli, Levy, Whipple, and Mayor Gragson voting aye; noes, none.

TENTATIVE MAP OF
CHARLESTON HEIGHTS
TRACT NO. 47

Approved

TENTATIVE MAP OF CHARLESTON HEIGHTS TRACT NO. 47, submitted by Nevsur Insurance Agency, comprising 22 acres (76 lots) generally located on the northeast corner of Torrey Pines and West Fremont, legally described as follows:

Part of Southeast Quarter (SE-1/4) of Section 26, Township 20 South, Range 60 East, MDB&M.

Director of Planning, Donald J. Saylor, stated that the Planning Commission recommended approval, subject to the condition of full street improvements on Ames Avenue.

Commissioner Mirabelli moved that the tentative map of Charleston Heights Tract No. 47 of property generally located on the northeast corner of Torrey Pines and West Fremont, comprising 22 acres, be APPROVED, subject to the condition of full street improvements on Ames Avenue.

Motion seconded by Commissioner Whipple and carried by the following vote: Commissioners Mirabelli, Levy, Whipple and Mayor Gragson voting aye; noes, none.

Avenue and Searles Avenue, from R-3 to C-2.

Mr. Saylor gave the staff report stating that this parcel is generally located on the east side of 25th Street between Owens Avenue and Searles Avenue. This application is for commercial. Staff took firm stand a few years ago that there would be no commercial zoning on the east side of 25th in this area. Previous applications have been before the Commission for commercial and have been denied. The applicant is proposing professional offices and apartments. Staff recommends R-4 zoning but not commercial zoning. The record indicates no protests or approvals. The Chairman declared the public hearing open.

Mr. Jansen appeared in behalf of the applicant.

After discussion, the Chairman declared that the application of EDITH V. JANSEN for the reclassification of property generally located on the east side of 25th Street between Owens Avenue and Searles Avenue, from R-3 to C-2 be held in abeyance until the joint meeting of the Board of City Commissioners and the City Planning Commission on November 13, 1962 at 4:00 P.M.

The Chairman declared a recess at 9:00 P.M.

The Chairman resumed the meeting at 9:10 P.M.

Denied

Application of ARTHUR PASSARELLI for the reclassification of property legally described as Lots 7 and 8, Block 9, Ladd's Addition and generally located on the east side of 13th Street between Fremont Street and Ogden Avenue, from R-3 to C-2.

Mr. Saylor gave the staff report stating that this parcel is located on 13th Street. Fremont to Ogden, half of the block between 12th Street to 15th Street is zoned R-5.

R-5 permits a higher density than does R-4 and allows one parking space for every two units. This application is for C-2. Staff strongly feels that this application is for a proposed hotel. This property is 100 x 140, which under the R-5 would permit 10 units for the first lot and 14 for the second. A total of 24 units with 12 parking spaces would be permitted under the present zoning. Staff has no recommendation on this particular application. The Chairman declared the public hearing open.

Mr. Ira Marshak, Architect, 212 Las Vegas Blvd. South, appeared representing the applicant stating that plans were for a two-story 40 room hotel, which would provide 24 parking spaces.

Mr. Charles Vale, owner and operator of the Gables Motel, appeared in protest.

Mr. Pete Ferndelli appeared in protest.

Mr. Julius Rapp, 105 North 14th Street appeared in protest.

The Chairman declared the public hearing closed.

After discussion, Mr. Johnston moved that the application of ARTHUR PASSARELLI for the reclassification of property generally located on the east side of 13th Street between Fremont Street and Ogden Avenue, from R-3 to C-2 be referred to the Board of City Commissioners with the recommendation that it be denied. Mr. Gilday seconded the motion and the vote was carried unanimously by the Commission.
