ALL

Site plan showing property boundaries and existing structures. The plan includes a Burger King building, a vacant pad, a credit union, and a proposed apartment building. The site is bounded by an existing CMC wall on the north and east sides. The proposed apartment building is located on the east side of the site, adjacent to the existing CMC wall. The site is divided into several parking areas, including a large central parking lot and a smaller lot on the north side. The site is also divided into several sections by dashed lines, including a section labeled '7-11' and a section labeled 'vacant pad'. The site is bounded by an existing CMC wall on the north and east sides. The site is also divided into several sections by dashed lines, including a section labeled '7-11' and a section labeled 'vacant pad'. The site is bounded by an existing CMC wall on the north and east sides. The site is also divided into several sections by dashed lines, including a section labeled '7-11' and a section labeled 'vacant pad'.
