ZONE CHANGE
Z-117-63

Denied

ZONE CHANGE - Z-117-63 - APPLICATION OF DONALD L. & ORPHA REAM for reclassification of property generally located 1320 feet west of Lamb Boulevard and 330 feet north of Bonanza Road, from R-R to M, legally described as:

The Northeast Quarter (NE-1/4) of the Southeast Quarter (SE-1/4) of the Southwest Quarter (SW-1/4) of the Southeast Quarter (SE-1/4) of Section 30, Township 20 South, Range 62 East, MDB&M.

The Director of Planning, Mr. Donald J. Saylor: This is a request for a change from R-R to Industrial. There is no other commercial zoning in this general area. Most of it is zoned for residential and there is a great deal of residential development taking place. You will recall that several months ago Mr. Ream applied for commercial zoning on the parcel indicated in red, and essentially the argument was that his particular business location was being usurped by the location of the Freeway; that he owned this property and wanted to relocate his business out here and it was rezoned to commercial. He is now requesting industrial zoning to the rear of it. The Planning Commission recommended denial. There were no protests.

Mr. Donald L. Ream, speaking in his own behalf, stated that he had been approached by many people wanting to relocate their businesses on the east side of town, primarily due to the congestion of traffic on the west side of town; that the Redi-Spuds Company would utilize this for a processing facility for hash brown and French fried potatoes; and that he felt this would be compatible zoning.

Commissioner Fountain stated that he felt this would definitely be spot zoning and moved that the application of Donald L. & Orpha Ream (Z-117-63) be DENIED.

Motion seconded by Commissioner Mirabelli and carried by the following vote: Commissioners Mirabelli, Levy, Fountain, and Mayor Gragson voting aye; noes, none.

ZONE CHANGE
Z-118-63

Denied

ZONE CHANGE - Z-118-63 - APPLICATION OF FRED L. RAKEMAN for reclassification of property generally located on the southwest corner of Colorado and South Third Street, from R-4 to C-1, legally described as:

The east 68 feet of Lot 9, Block 15, Boulder Addition.

The Director of Planning, Mr. Donald J. Saylor, briefly explained the location of the property and stated that the Planning Commission definitely felt that this was a matter of spot zoning, and recommended denial.

Commissioner Mirabelli moved that the application of Fred L. Rakeman (Z-118-63) be DENIED..

Motion seconded by Commissioner Mirabelli and carried by the following vote: Commissioners Mirabelli, Levy, Fountain, and Mayor Gragson voting aye; noes, none.

corner of Vegas Drive and Laurelhurst Drive, from R-3 to C-1, be approved.

Mr. Gilday seconded the motion and it was carried by a unanimous vote.

8. Z-114-63

Approved

Application of MARION DEVELOPMENT CO. for the reclassification of property legally described as the east half (E 1/2) of the northwest quarter (NW 1/4) of Section 29, T20S, R62E, MDB&M, and generally located south of Owens Avenue and west of Marion Street, from R-R to R-1.

Mr. Saylor gave the Staff report pointing out the general location. He stated that this is in a relatively undeveloped area, with the exception of a Traller Park nearby. Staff recommended approval.

The Chairman declared the public hearing open.

No one appeared.

The Chairman declared the public hearing closed.

After discussion, Mr. Uehling moved that the application of MARION DEVELOPMENT CO. for the reclassification of property generally located south of Owens Avenue and west of Marion Street, from R-R to R-1, be approved.

Mr. Johnston seconded the motion and it was carried by a unanimous vote.

9. Z-115-63

Approved

Application of LOUIS DU BOIS for the reclassification of property legally described as Lots 22 through 24, (inclusive) Block 4, Meadows Addition, and generally located on the north side of Baltimore Street between Fairfield Avenue and Commerce Street, from R-4 to C-2.

Mr. Saylor gave the Staff report pointing out the general location. He stated that this request will not effect the character of the existing development to any extent, and that as a portion of this parcel is already zoned C-2, it is logical to zone the entire parcel the same.

The Chairman declared the public hearing open.

No one appeared.

The Chairman declared the public hearing closed.

After discussion, Vice-Chairman Tiberti moved that the application of LOUIS DU BOIS for the reclassification of property generally located on the north side of Baltimore Street between Fairfield Avenue and Commerce Street, from R-4 to C-2, be approved.

Mr. Gilday seconded the motion and it was carried by a unanimous vote.

10. Z-117-63

Denied

Application of DONALD L. & ORPHA REAM for the reclassification of property legally described as the northeast quarter (NE 1/4) of the southeast quarter (SE 1/4) of the southwest quarter (SW 1/4) of the southeast quarter (SE 1/4) of Section 30, T20S, R62E, MDB&M, and generally located 1320 feet west of Lamb Boulevard and 330 feet north of Bonanza Road, from R-R to M.

Mr. Saylor gave the Staff report pointing out the general location. He further stated that a short time ago C-2 classification by means of a resolution of Intent was approved on the adjacent parcel fronting Lamb Boulevard. This was, more or less, considered as a hardship case, as the applicant's business is in the right-of-way for the proposed State Freeway and he has to relocate. This request for M (Industrial) zoning classification in this area is very out of order, and Staff recommended denial.

The Chairman declared the public hearing open.

Mr. Ream appeared in his own behalf.

No one appeared to protest.

The Chairman declared the public hearing closed.

After discussion, Mr. Gilday moved that the application

of DONALD L. & ORPHA REAM for the reclassification of property generally located 1320 feet west of Lamb Boulevard and 330 feet north of Bonanza Road, from R-R to M, be denied. Mr. Johnston seconded the motion and it was carried by a unanimous vote.

11. Z-118-63

Denied

Application of FRED L. RAKEMAN for the reclassification of property legally described as the east 68 feet of Lot 9, Block 15, Boulder Addition, and generally located on the southwest corner of Colorado and South Third Streets, from R-4 to C-1.

Mr. Saylor gave the Staff report and pointed out the general location. Further, he stated that this area is a transition area and has been transforming in an orderly manner, and steadily. However, Staff felt that this particular request is not in an orderly manner, but rather spot zoning and Staff recommended denial. Further, Mr. Saylor stated that the proposed use could be utilized with a Use Permit to allow professional offices.

The Chairman declared the public hearing open.

Mr. Louis Sellenelt appeared in behalf of the applicant.

No one appeared to protest.

The Chairman declared the public hearing closed.

After discussion, Mr. Johnston moved that the application of FRED L. RAKEMAN for the reclassification of property generally located on the southwest corner of Colorado and South Third Streets, from R-4 to C-1, be denied.

Mr. Empey seconded the motion and it was carried by a unanimous vote.

12. Z-119-63

Approved

Application of ENGEL, ENGEL, & GABRIELE for the reclassification of property legally described as Lots 21 and 22, Block 1, Paradise Village Tract No. 1, and generally located on the east side of Paradise Road between St. Louis Avenue and Sahara (San Francisco) Avenue, from R-3 to R-4.

Mr. Saylor gave the Staff report pointing out the general location. Further, he stated that this parcel is located adjacent to professional offices, and the proposed intent of the applicant is to apply for a Use Permit to allow professional offices on this particular parcel. Staff felt that the transition of these rental properties to professional office use would have no ill effect on the abutting residential area to the rear, but rather, would be more compatible than the present situation. Staff recommended approval by means of a resolution of Intent subject to professional office use. The record indicated no protests.

The Chairman declared the public hearing open.

No one appeared.

The Chairman declared the public hearing closed.

After discussion, Mr. Johnston moved that the application of ENGEL, ENGEL, & GABRIELE for the reclassification of property generally located on the east side of Paradise Road between St. Louis Avenue and Sahara (San Francisco) Avenue, from R-3 to R-4, be approved by means of a resolution of Intent subject to professional office use only.

Vice-Chairman Tiberti seconded the motion and it was carried by a unanimous vote.

13. Z-120-63

Application of MARVIN R. MILLER for the reclassification of property legally described as Lot 4, Block 15, and Lot 14, Block 9, all in Boulder Addition, and generally located on the east and west sides of South Second Street between Colorado and Imperial Streets, from R-4 to C-2.

Mr. Saylor gave the Staff report pointing out the general location. He further stated that this same application had been before the Commission a short time previously at which time it had been denied. The proposed use is to
