ZONE CHANGE
Z-119-63

Adopted Resolution of Intent to Rezone to R-4, subject to condition listed.

ZONE CHANGE - Z-119-63 - APPLICATION OF JERRY ENGEL, PHILIP ENGEL, AND JULIUS GABRIELE for reclassification of property generally located on the east side of Paradise Road, between St. Louis and Sahara Avenues, from R-3 to R-4, legally described as:

Lots 21 and 22, Block 1, Paradise Village Tract No. 1.

The Director of Planning, Mr. Donald J. Saylor: The property immediately to the east is existing R-1 zoning and development; immediately to the north is R-4, with a use permit for professional offices; and the property to the west is all R-4. The intent is to use this property for professional offices. There were no protests at the public hearing, and the Planning Commission felt that the professional office use would not be as detrimental to the abutting R-1 development as other possible uses might be and they have recommended approval by means of a Resolution of Intent that it be for professional office use only.

In response to Commissioner Mirabelli's inquiry, Mr. Saylor stated that he did not believe any changes or additions to the existing structure were contemplated.

Commissioner Mirabelli: When they recommended Resolution of Intent, did they request that a Plot Plan or any changes be brought back to the Planning Commission?

Mr. Saylor: No, I think perhaps it was the feeling that at the time it went to the Board of Zoning Adjustment for the use permit that this would be the condition -- that it be tied in to the Plot Plan -- at that time.

Commissioner Mirabelli: We wouldn't want any development on the back of it.

Mr. Saylor: No, I think it is understood by the applicants, too, that they use the existing buildings, with perhaps some architectural features in front.

Commissioner Levy moved that a Resolution of Intent to rezone property generally located on the east side of Paradise Road, between St. Louis and Sahara Avenues, from R-3 to R-4, be ADOPTED, subject to the condition that this be for professional office use only.

Motion seconded by Commissioner Fountain and carried by the following vote: Commissioners Mirabelli, Levy, Fountain, and Mayor Gragson voting aye; noes, none.

ZONE CHANGE APPLICATION - Z-119-63

At their regular meeting on August 15, 1963, the Board of Commissioners of the City of Las Vegas ADOPTED a Resolution of Intent to Rezone property generally located on the east side of Paradise Road, between St. Louis Avenue and Sahara Avenue, from R-3 to R-4, subject to the following condition:

1. That this be for professional office use only.

of DONALD L. & ORPHA REAM for the reclassification of property generally located 1320 feet west of Lamb Boulevard and 330 feet north of Bonanza Road, from R-R to M, be denied. Mr. Johnston seconded the motion and it was carried by a unanimous vote.

Denied

Application of FRED L. RAKEMAN for the reclassification of property legally described as the east 68 feet of Lot 9, Block 15, Boulder Addition, and generally located on the southwest corner of Colorado and South Third Streets, from R-4 to C-1.

Mr. Saylor gave the Staff report and pointed out the general location. Further, he stated that this area is a transition area and has been transforming in an orderly manner, and steadily. However, Staff felt that this particular request is not in an orderly manner, but rather spot zoning and Staff recommended denial. Further, Mr. Saylor stated that the proposed use could be utilized with a Use Permit to allow professional offices.

The Chairman declared the public hearing open.

Mr. Louis Sellenett appeared in behalf of the applicant.

No one appeared to protest.

The Chairman declared the public hearing closed.

After discussion, Mr. Johnston moved that the application of FRED L. RAKEMAN for the reclassification of property generally located on the southwest corner of Colorado and South Third Streets, from R-4 to C-1, be denied.

Mr. Empey seconded the motion and it was carried by a unanimous vote.

Application of ENGEL, ENGEL, & GABRIELE for the reclassification of property legally described as Lots 21 and 22, Block 1, Paradise Village Tract No. 1, and generally located on the east side of Paradise Road between St. Louis Avenue and Sahara (San Francisco) Avenue, from R-3 to R-4.

Mr. Saylor gave the Staff report pointing out the general location. Further, he stated that this parcel is located adjacent to professional offices, and the proposed intent of the applicant is to apply for a Use Permit to allow professional offices on this particular parcel. Staff felt that the transition of these rental properties to professional office use would have no ill effect on the abutting residential area to the rear, but rather, would be more compatible than the present situation. Staff recommended approval by means of a resolution of intent subject to professional office use. The record indicated no protests.

The Chairman declared the public hearing open.

No one appeared.

The Chairman declared the public hearing closed.

After discussion, Mr. Johnston moved that the application of ENGEL, ENGEL, & GABRIELE for the reclassification of property generally located on the east side of Paradise Road between St. Louis Avenue and Sahara (San Francisco) Avenue, from R-3 to R-4, be approved by means of a resolution of intent subject to professional office use only.

Vice-Chairman Tiberti seconded the motion and it was carried by a unanimous vote.

Mr. Saylor gave the Staff report pointing out the general location. He further stated that this same application had been before the Commission a short time previously at which time it had been denied. The proposed use is to
