ZONE CHANGE
Z-119-63

Adopted Resolution of Intent to Rezone to R-4, subject to condition listed.

ZONE CHANGE - Z-119-63 - APPLICATION OF JERRY ENGEL, PHILIP ENGEL, AND JULIUS GABRIELE for reclassification of property generally located on the east side of Paradise Road, between St. Louis and Sahara Avenues, from R-3 to R-4, legally described as:

Lots 21 and 22, Block 1, Paradise Village Tract No. 1.

The Director of Planning, Mr. Donald J. Saylor: The property immediately to the east is existing R-1 zoning and development; immediately to the north is R-4, with a use permit for professional offices; and the property to the west is all R-4. The intent is to use this property for professional offices. There were no protests at the public hearing, and the Planning Commission felt that the professional office use would not be as detrimental to the abutting R-1 development as other possible uses might be and they have recommended approval by means of a Resolution of Intent that it be for professional office use only.

In response to Commissioner Mirabelli's inquiry, Mr. Saylor stated that he did not believe any changes or additions to the existing structure were contemplated.

Commissioner Mirabelli: When they recommended Resolution of Intent, did they request that a Plot Plan or any changes be brought back to the Planning Commission?

Mr. Saylor: No, I think perhaps it was the feeling that at the time it went to the Board of Zoning Adjustment for the use permit that this would be the condition -- that it be tied in to the Plot Plan -- at that time.

Commissioner Mirabelli: We wouldn't want any development on the back of it.

Mr. Saylor: No, I think it is understood by the applicants, too, that they use the existing buildings, with perhaps some architectural features in front.

Commissioner Levy moved that a Resolution of Intent to rezone property generally located on the east side of Paradise Road, between St. Louis and Sahara Avenues, from R-3 to R-4, be ADOPTED, subject to the condition that this be for professional office use only.

Motion seconded by Commissioner Fountain and carried by the following vote: Commissioners Mirabelli, Levy, Fountain, and Mayor Gragson voting aye; noes, none.

ZONE CHANGE
Z-120-63

Denied

ZONE CHANGE - Z-120-63 - APPLICATION OF MARVIN R. MILLER for reclassification of property generally located on the east and west sides of South Second Street, between Colorado and Imperial Streets, from R-4 to C-2, legally described as:

Lot 4, Block 15, and Lot 14, Block 9, all in Boulder Addition.

The Director of Planning, Mr. Donald J. Saylor: This request for rezoning is for two lots, one on each side of the street. Several months ago, this same application was before you and was denied. The Planning Commission has recognized that this entire area will

gradually transition to commercial use. However, if the area is developed without offstreet parking being provided, in time we will be faced with the same problem here that we are encountering in our other general commercial areas wherein it becomes the obligation of somebody else to provide the offstreet parking. The Planning Commission, as a policy, has tried to make this transition in an orderly manner. This request is for one lot out of this block, and one lot out of this block, with the remainder being R-4, and the Planning Commission recommended denial.

Mayor Gragson asked if anyone wished to be heard on this matter, to which there was no response; whereupon Commissioner Fountain moved that the application of Marvin R. Miller (Z-120-63) for reclassification of property generally located on the east and west sides of South Second Street, between Colorado and Imperial Streets, from R-4 to C-2, be DENIED.

Motion seconded by Commissioner Levy and carried by the following vote: Commissioners Mirabelli, Levy, Fountain, and Mayor Gragson voting aye; noes, none.

Mayor Gragson: This should be developed as C-1.

Mr. Saylor: Right. This is the thing that the Planning Commission has in mind because of the parking demand.

ZONE CHANGE
Z-121-63

Approved

ZONE CHANGE - Z-121-63 - APPLICATION OF WILLIAM URGAS for reclassification of property generally located on the west side of Third Place, south of Charleston Boulevard, from R-1 to R-4, legally described as:

Lots 9 and 10, Block 1, Beckley Subdivision.

The Director of Planning, Mr. Donald J. Saylor: This application is for 2 lots on Third Place -- a little cul-de-sac that runs south of Charleston. The two lots immediately to the north were zoned commercial. At that time, it was pretty well agreed by the rest of the property owners that this would all go commercial in time. The express purpose here is to provide additional offstreet parking facilities. At the Planning Commission hearing, there were no protests, and one letter was received from Alma Remington approving this rezoning. The Planning Commission assumed it was being somewhat acknowledged by the rest of the property owners here that the change was going to take place, and on the basis of no protests, they recommend approval to R-4.

Commissioner Fountain moved that the application of William Urga (Z-121-63) for reclassification of property generally located on the west side of Third Place, south of Charleston Boulevard, from R-1 to R-4, be APPROVED.

Motion seconded by Commissioner Mirabelli and carried by the following vote: Commissioners Mirabelli, Levy, Fountain, and Mayor Gragson voting aye; noes, none.

Dear Mr. Miller:

The Board of Commissioners of the City of Las Vegas, at their regular meeting on August 15, 1963, considered your request for a zone change on property generally located on the east and west sides of South Second Street, between Colorado and Imperial Streets, from R-4 to C-2.

By motion duly made, seconded and carried this rezoning was **DENIED.**

of DONALD L. & ORPHA REAM for the reclassification of property generally located 1320 feet west of Lamb Boulevard and 330 feet north of Bonanza Road, from R-R to M, be denied. Mr. Johnston seconded the motion and it was carried by a unanimous vote.

Denied

Application of FRED L. RAKEMAN for the reclassification of property legally described as the east 68 feet of Lot 9, Block 15, Boulder Addition, and generally located on the southwest corner of Colorado and South Third Streets, from R-4 to C-1.

Mr. Saylor gave the Staff report and pointed out the general location. Further, he stated that this area is a transition area and has been transforming in an orderly manner, and steadily. However, Staff felt that this particular request is not in an orderly manner, but rather spot zoning and Staff recommended denial. Further, Mr. Saylor stated that the proposed use could be utilized with a Use Permit to allow professional offices.

The Chairman declared the public hearing open.

Mr. Louis Sellenet appeared in behalf of the applicant.

No one appeared to protest.

The Chairman declared the public hearing closed.

After discussion, Mr. Johnston moved that the application of FRED L. RAKEMAN for the reclassification of property generally located on the southwest corner of Colorado and South Third Streets, from R-4 to C-1, be denied.

Mr. Empey seconded the motion and it was carried by a unanimous vote.

12. Z-119-63

Application of ENGEL, ENGEL, & GABRIELE for the reclassification of property legally described as Lots 21 and 22, Block 1, Paradise Village Tract No. 1, and generally located on the east side of Paradise Road between St. Louis Avenue and Sahara (San Francisco) Avenue, from R-3 to R-4.

Mr. Saylor gave the Staff report pointing out the general location. Further, he stated that this parcel is located adjacent to professional offices, and the proposed intent of the applicant is to apply for a Use Permit to allow professional offices on this particular parcel. Staff felt that the transition of these rental properties to professional office use would have no ill effect on the abutting residential area to the rear, but rather, would be more compatible than the present situation. Staff recommended approval by means of a resolution of intent subject to professional office use. The record indicated no protests.

The Chairman declared the public hearing open.

No one appeared.

The Chairman declared the public hearing closed.

After discussion, Mr. Johnston moved that the application of ENGEL, ENGEL, & GABRIELE for the reclassification of property generally located on the east side of Paradise Road between St. Louis Avenue and Sahara (San Francisco) Avenue, from R-3 to R-4, be approved by means of a resolution of intent subject to professional office use only.

Vice-Chairman Tiberti seconded the motion and it was carried by a unanimous vote.

13. Z-120-63

Application of MARVIN R. MILLER for the reclassification of property legally described as Lot 4, Block 15, and Lot 14, Block 9, all in Boulder Addition, and generally located on the east and west sides of South Second Street between Colorado and Imperial Streets, from R-4 to C-2.

Mr. Saylor gave the Staff report pointing out the general location. He further stated that this same application had been before the Commission a short time previously at which time it had been denied. The proposed use is to

construct a hotel on one lot, using the lot across the street for parking facilities. Further, he stated that although this area is in transition to commercial use, basically this particular request does not present an orderly transformation. Also, the control of the lot for offstreet parking could develop into quite a problem. Staff's position has not changed, and recommended denial.

The Chairman declared the public hearing open. Mr. Marvin R. Miller appeared in his own behalf. No one appeared to protest.

The Chairman declared the public hearing closed. After discussion, Vice-Chairman Tiberti moved that the application of MARVIN R. MILLER for the reclassification of property generally located on the east and west sides of South Second Street between Colorado and Imperial Streets, from R-4 to C-2, be denied.

Mr. Empey seconded the motion and it was carried by a unanimous vote.

14. Z-121-63

Approved

Application of WILLIAM URGa for the reclassification of property legally described as Lots 9 and 10, Block 1, Beckley Subdivision, and generally located on the west side of Third Place south of Charleston Boulevard, from R-1 to R-4.

Mr. Saylor gave the Staff report pointing out the general location. He further stated that very recently the lots lying northerly and adjoining this parcel were reclassified for commercial use. The tentative use for this particular parcel is for offstreet parking. Staff would recommend that there be no access from Third Place into this parking lot. Staff felt that if this area is to transition at this time, this is a logical use. Further, he stated that if the present residential use is to continue, this proposed use will infringe upon it. The record indicated no protests. The Chairman declared the public hearing open.

Mr. William Urga appeared in his own behalf. He stated he did not concur with the recommendation that there be no access into Third Place from the parking lot. No one appeared to protest.

The Chairman declared the public hearing closed. After discussion, Vice-Chairman Tiberti moved that the application of WILLIAM URGa for the reclassification of property generally located on the west side of Third Place south of Charleston Boulevard, from R-1 to R-4, be approved.

Mr. Johnston seconded the motion and it was carried by a unanimous vote.

Application of KENGLA & FARMER for the reclassification of property legally described as:

Parcel No. 1 - The south 315 feet of Government Lot 11, Section 1, T21S, R60E, MDB&M, from R-E to R-3.

Parcel No. 2 - The north 345 feet of Government Lot 11, Section 1, T21S, R60E, MDB&M, from R-E to C-1.

Generally located on the south side of West Charleston Boulevard and the west side of Red Rock Road.

Mr. Saylor gave the Staff report pointing out the general location. This parcel was recently annexed to the City. He stated the proposed plan is for commercial use on the front portion, with multiple family residential on the rear portion of the parcel. Mr. Saylor further stated that although the record showed no protests, he had had strong indication that many of the surrounding property owners were not in favor of this reclassification. The major portion of the surrounding area is zoned R-E, and is located in the County. Staff recommended denial.

However, in further comments concerning this parcel, Mr. Saylor stated that its easterly boundary is located

Gentlemen:

Enclosed please find two separate applications for reclassification of the properties located at 1309 South 2nd Street and 1318 South 2nd Street, Las Vegas, Nevada, together with my check in the amount of \$55.00.

I am having plans drawn up showing precisely what we intend to do with the properties in the event that our request for reclassification is granted. Generally, we intend to construct a small two-story hotel on one piece of property and use the remaining site for parking.

Please let me know when this matter will be heard by the commission, and if there is any further information I could submit that would assist you in this matter.

Very truly yours,
