gradually transition to commercial use. However, if the area is developed without offstreet parking being provided, in time we will be faced with the same problem here that we are encountering in our other general commercial areas wherein it becomes the obligation of somebody else to provide the offstreet parking. The Planning Commission, as a policy, has tried to make this transition in an orderly manner. This request is for one lot out of this block, and one lot out of this block, with the remainder being R-4, and the Planning Commission recommended denial.

Mayor Gragson asked if anyone wished to be heard on this matter, to which there was no response; whereupon Commissioner Fountain moved that the application of Marvin R. Miller (Z-120-63) for reclassification of property generally located on the east and west sides of South Second Street, between Colorado and Imperial Streets, from R-4 to C-2, be DENIED.

Motion seconded by Commissioner Levy and carried by the following vote: Commissioners Mirabelli, Levy, Fountain, and Mayor Gragson voting aye; noes, none.

Mayor Gragson: This should be developed as C-1.

Mr. Saylor: Right. This is the thing that the Planning Commission has in mind because of the parking demand.

ZONE CHANGE
Z-121-63

Approved

ZONE CHANGE - Z-121-63 - APPLICATION OF WILLIAM URGAS for reclassification of property generally located on the west side of Third Place, south of Charleston Boulevard, from R-1 to R-4, legally described as:

Lots 9 and 10, Block 1, Beckley Subdivision.

The Director of Planning, Mr. Donald J. Saylor: This application is for 2 lots on Third Place -- a little cul-de-sac that runs south of Charleston. The two lots immediately to the north were zoned commercial. At that time, it was pretty well agreed by the rest of the property owners that this would all go commercial in time. The express purpose here is to provide additional offstreet parking facilities. At the Planning Commission hearing, there were no protests, and one letter was received from Alma Remington approving this rezoning. The Planning Commission assumed it was being somewhat acknowledged by the rest of the property owners here that the change was going to take place, and on the basis of no protests, they recommend approval to R-4.

Commissioner Fountain moved that the application of William Urga (Z-121-63) for reclassification of property generally located on the west side of Third Place, south of Charleston Boulevard, from R-1 to R-4, be APPROVED.

Motion seconded by Commissioner Mirabelli and carried by the following vote: Commissioners Mirabelli, Levy, Fountain, and Mayor Gragson voting aye; noes, none.

Re: Zone Change - Z-121-63

Dear Sir:

At their regular meeting on August 15, 1963, the Board of City Commissioners considered your application for reclassification of property generally located on the west side of Third Place south of Charleston Boulevard, from R-1 to R-4.

By motion duly made, seconded and carried, this application (Z-121-63) was APPROVED.

Yours very truly,

(Mrs.) Juanita A. Frary

construct a hotel on one lot, using the lot across the street for parking facilities. Further, he stated that although this area is in transition to commercial use, basically this particular request does not present an orderly transformation. Also, the control of the lot for offstreet parking could develop into quite a problem. Staff's position has not changed, and recommended denial.

The Chairman declared the public hearing open.

Mr. Marvin R. Miller appeared in his own behalf.

No one appeared to protest.

The Chairman declared the public hearing closed.

After discussion, Vice-Chairman Tiberti moved that the application of MARVIN R. MILLER for the reclassification of property generally located on the east and west sides of South Second Street between Colorado and Imperial Streets, from R-4 to C-2, be denied.

Mr. Empey seconded the motion and it was carried by a unanimous vote.

14. Z-121-63

Approved

Application of WILLIAM URGa for the reclassification of property legally described as Lots 9 and 10, Block 1, Beckley Subdivision, and generally located on the west side of Third Place south of Charleston Boulevard, from R-1 to R-4.

Mr. Saylor gave the Staff report pointing out the general location. He further stated that very recently the lots lying northerly and adjoining this parcel were reclassified for commercial use. The tentative use for this particular parcel is for offstreet parking. Staff would recommend that there be no access from Third Place into this parking lot. Staff felt that if this area is to transition at this time, this is a logical use. Further, he stated that if the present residential use is to continue, this proposed use will infringe upon it. The record indicated no protests.

The Chairman declared the public hearing open.

Mr. William Urga appeared in his own behalf. He stated he did not concur with the recommendation that there be no access into Third Place from the parking lot.

No one appeared to protest.

The Chairman declared the public hearing closed.

After discussion, Vice-Chairman Tiberti moved that the application of WILLIAM URGa for the reclassification of property generally located on the west side of Third Place south of Charleston Boulevard, from R-1 to R-4, be approved.

Mr. Johnston seconded the motion and it was carried by a unanimous vote.

Denied

Application of KENGLA & FARMER for the reclassification of property legally described as:

Parcel No. 1 - The south 315 feet of Government Lot 11, Section 1, T21S, R60E, MDB&M, from R-E to R-3.

Parcel No. 2 - The north 345 feet of Government Lot 11, Section 1, T21S, R60E, MDB&M, from R-E to C-1.

Generally located on the south side of West Charleston Boulevard and the west side of Red Rock Road.

Mr. Saylor gave the Staff report pointing out the general location. This parcel was recently annexed to the City. He stated the proposed plan is for commercial use on the front portion, with multiple family residential on the rear portion of the parcel. Mr. Saylor further stated that although the record showed no protests, he had had strong indication that many of the surrounding property owners were not in favor of this reclassification. The major portion of the surrounding area is zoned R-E, and is located in the County. Staff recommended denial.

However, in further comments concerning this parcel, Mr. Saylor stated that its easterly boundary is located

Dear Sir:

In my opinion, it would seem better for Mr. William Urgas to change his property from R-1 to C-1 since most of the property around that vicinity is being changed to C-1. Sincerely, Alma W. Pennington
