Application of LANGSON CONSTRUCTION COMPANY, INC. for the reclassification of property legally described as that portion of the southwest quarter of Section 18, T20S, R61E, MDB&M, lying west of Highway 95 (Tonopah Hwy) and generally located on the west side of Highway 95 between Decatur Boulevard and Smoke Ranch Road, from C-2 and R-E to R-T and R-4.

Mr. Saylor gave the staff report. He stated that on a previous application for trailer residence zoning on property located in an area devoted to or proposed for, low density resident development was denied by the Commission. At this time the Commission acknowledged a need for a trailer residence zoning in the Tonopah Highway area and in general decided it should be close to the commercial zoning. He advised the Commission that this proposed location fit that criteria and further would be buffed by a proposed apartment house development along the major streets. He then stated that he recommended approval of the trailer residence zoning and also recommended approval of the apartment house zoning but for medium density rather than heavy density.

The Chairman declared the public hearing open.

Mr. Bills, representing First Western Savings and Loan Assn. appeared in protest. He stated that they protested the trailer residence zoning and even more strongly protested the proposed apartments along Smoke Ranch Road and Decatur Boulevard on the basis that First Western Savings and Loan Assn. proposed a high priced development south of Smoke Ranch Road. He said that the need for a drive-way for each apartment building would be detrimental to the development of the property he represented. He then displayed a map of the development plan which proposed extensive apartment houses and commercial development with many of the apartments located immediately across the street from the apartments proposed by the applicant.

Hilda Covey appeared in protest, representing 32 other property owners in this area.

The Chairman declared the public hearing closed.

After discussion, Mr. Johnston moved that the application of LANGSON CONSTRUCTION COMPANY, INC. for the reclassification of property generally located on the west

angle west 360 feet; thence at a right angle north 139.75 feet to a point; thence at a right angle easterly a distance of 360 feet to the said section line; thence south along said section line 139.75 feet to the point of beginning, and generally located on the west side of Las Vegas Boulevard, North between Adams Avenue and Foremaster Lane, from R-1 to C-2 and R-4.

Mr. Saylor gave the staff report. He gave no recommendation. The Chairman declared the public hearing open.

Mr. Thomas Washington appeared to protest, desiring a knowledge of the intentional plot plans.

Mr. Leavitt appeared in behalf of Vegas Valley Corporation. and suggested that the Commercial zone be C-1 instead of C-2.

Mr. Bill Williams appeared to ask the type of development intended for the commercial zoning.

Mr. Leavitt stated the pending plan was a restaurant type of development.

The Chairman declared the public hearing closed.

After discussion, Mr. Uehling moved that the application of VEGAS VALLEY CORPORATION for the reclassification of property generally located on the west side of Las Vegas Boulevard, North, between Adams Avenue and Foremaster Lane, from R-1 to C-2 and R-4 read from R-1 to C-1 and R-4, and be approved. Mr. Longley, Sr. seconded the motion and the vote was carried unanimously by the Commission.

Mr. Saylor gave the staff report. This area is in a transition period and in all probability will all be zoned commercial at a later date. Staff has no recommendation.
