ATTEST:

Mayor

City Clerk

The above and foregoing ordinance was first proposed and read by title to the Board of Commissioners on the 9th day of October, 1963 and referred to the following committee composed of Commissioners Levy and Minabelli for recommendation; thereafter the said committee reported favorably on said ordinance on the 23rd day of October 1963 which was a regular meeting of said Board; that at said regular meeting the

Advertised 10/24/63 and 11/2/63.

Motion seconded by Commissioner Whipple and carried by the following vote: Commissioners Mirabelli, Levy, Fountain, Whipple, and Mayor Gragson voting aye; noes, none.

Mayor Gragson: I voted aye on the theory that there is going to be an over-all picture or program on this whole area. Otherwise, I would have favored this rezoning as presented.

Approved

ZONE CHANGE - Z-126-63 - APPLICATION OF JACK BLATT AND JERRY ENGEL for reclassification of property generally located on the west side of Second Street, between Lewis and Bridger Avenues, from C-1 to C-2, legally described as:

Lots 21 through 26 (inclusive) Block 12, Clark's Las Vegas Townsite.

The Director of Planning, Mr. Donald J. Saylor, stated that the property for reclassification is within the area that has been agreed upon as the "downtown area" and which is gradually changing to C-2; that there were no protests and the Planning Commission recommended approval.

Commissioner Mirabelli moved that the application of Jack Blatt and Jerry Engel (Z-126-63) be APPROVED.

Motion seconded by Commissioner Levy and carried by the following vote: Commissioners Mirabelli, Levy, Fountain, Whipple, and Mayor Gragson voting aye; noes, none.

ZONE CHANGE
Z-128-63

Approved

ZONE CHANGE - Z-128-63 - APPLICATION OF HENRY CONWAY, BERNARD POSIN, AND EDMUND HELMREICH for reclassification of property generally located on the southeast corner of Third Street and Lewis Avenue, from R-4 to C-2, legally described as:

The west 90 feet of Lots 1 through 4 (inclusive), Block 27, Clark's Las Vegas Townsite.

The Director of Planning, Mr. Donald J. Saylor: The applicants, I believe, propose to build a five story office building on the property. A portion of the ground level floor would be devoted to offstreet parking. In addition, they have a 50 foot parcel to the south of this piece, on which they have a use permit application on file for use for offstreet parking. There were no protests, and the Planning Commission recommended approval. This use would be permitted under C-1 zoning, but they could not satisfy the offstreet parking requirements. The Planning Commission discussed this quite thoroughly and I believe it was their opinion that although there was no way to guarantee the continued use of this 50 foot lot for offstreet parking for this building, nor the proposed parking on the ground floor, they felt that the parking would be available far enough into the future so that when it was no longer available, the whole complexion of this area would have changed anyhow.

Mr. Fiddler, architect for Mr. Conway and Mr. Posin: Mr. Saylor is a little in error. We are contemplating two floors of parking. The area in the building will be used for 25 or 26 suites, and with two floors for parking, there will be 42 car spaces in the building itself, notwithstanding the added space down the street.

and more particularly described as follows:
Commencing at the northwest corner of said Section 4:
thence south 1°00'45" west a distance of 40.00 feet
to the true point of beginning; thence east a distance
of 175.00 feet; thence south a distance of 260.00 feet;
thence west a distance of 179.88 feet; thence north
1°00'45" east a distance of 260.04 feet to the true
point of beginning, and generally located on the
southeast corner of West Charleston Boulevard and
Rancho Drive, from R-E to C-1.

Mr. Saylor gave the Staff report pointing out the
general location. This parcel is surrounded by
residential property. This also is in the area on
West Charleston where several requests for rezoning
have been held in abeyance pending the completion of a
land use study, which Staff is near ready to present to
the Commission. Staff would recommend that this
request be denied, if the proposed development is a
service station, however, the Commission may deem
it best to hold the item in abeyance until the report
is complete.

The Chairman declared the public hearing open.

Major Riddle appeared to protest.

Attorney Rudiak appeared to protest, presenting 2
letters of protest from Connie Hurley and Antonio and
Marion Casasa. He also stated that he represented
Mr. Art Johnston and Mr. A. S. Thomas.

Mr. Chesney Carver appeared in his own behalf.

The Chairman declared the public hearing closed.

After discussion, Mr. Gilday moved that the
application of CHESNEY H. CARVER for the reclassi-
fication of property generally located on the southeast
corner of West Charleston Boulevard and Rancho Drive
from R-E to C-1 be denied.

Mr. Johnston seconded the motion and it was carried
by a unanimous vote.

Mr. Bruner appeared requesting the status of the land
use study of West Charleston Boulevard from Rancho
Road easterly.

6. Z-126-63

Approved

Application of BLATT & ENGEL for the reclassification
of property legally described as Lots 21 through 26
(inclusive), Block 12, Clark's Las Vegas Townsite,
and generally located on the west side of Second Street
between Lewis and Bridger Avenues, from C-1 to C-2.

Mr. Saylor gave the Staff report pointing out the
general location. He stated that previously the
Commission had maintained Bridger Avenue as the
southerly boundary of the downtown area, however,
if the Commission deemed it feasible to extend the
boundary to Lewis Avenue, Staff would recommend
approval. The record indicated no protests.

The Chairman declared the public hearing open.

No one appeared to protest.

The Chairman declared the public hearing closed.

After discussion Mr. Fountain moved that the
application of BLATT & ENGEL for the reclassification
of property generally located on the west side of
Second Street between Lewis and Bridger Avenues
from C-1 to C-2 be approved.

Mr. Gilday seconded the motion and it was carried by
a unanimous vote.
